Abner and Alisson Meija Honduras

Dr. Alisson Meija is a Honduran dentist and is married to Abner Mejía. They serve as missionaries of World Reach in Honduras. The prayer of Alisson is that God will use her hands and her profession for His glory and to serve those who need it most. Alisson serves poor people and children who do not have access nor funds for dental care. She travels with Abner and does dental work on the rural pastors and their families. Abner is directing development of new World Reach Bible Institute sites with Bobby Wilson. Abner teaches in World Reach Bible Institutes and has a radio preaching ministry. They are currently raising their monthly support for World Reach, paying off the bill for Allison's medical equipment, and furnishing the small dental clinic.
