*Serving our Lord in Honduras*

November 2016

Dear brothers and sisters, who work with us in this ministry that God has blessed us with here in Honduras, it is a pleasure to share with you again! May the glory and honor be for our God.

May God receive the glory that we started our Sunday school classes in June. This has been a great blessing both for our church as well as for the community since they had never participated in children's classes. We have between 80-100 people meeting for church!

May God receive the glory that for two years now we have been training men and women to become leaders of our church. We are preparing to start small groups, so that in the future these will become new church plants.

May God receive the glory that in September we were able to open the Nutritional Center for Children. We began with 13 children, with the help of Selvin and Gloria, members of our church leading this ministry.

In Christ,

# Merry Christmas

December 2016

***Luke 2:14 Glory to God in the highest, and on earth peace among those with whom he is pleased!*** These words were said when the first Christmas was celebrated.

Now that we celebrate Christmas for 2016 I want to say the same thing. May the glory be for our God.

This Christmas 2016 I ask myself, are we still giving glory to God? Maybe in 2016 more years we will have forgotten to give glory to God. I want to invite you that this Christmas and New Year we celebrate giving glory to God.

Together, us, you and God we have accomplished:

1. We have keep over 200 children in school.
2. This year over 170 children have been in the maternity clinic.
3. We have begun the Sunday school classes with between 90-100 in attendance including children, youth and adults and each week God continues to add to the class.
4. Distribute to about 60 families a special rice to help with their nourishment.
5. We have seen many with medical needs all year long.
6. We have fed 16 children twice a week in our nutritional clinic.

FOR ALL THIS GLORY TO GOD.

But also among these words said that first Christmas were: "Peace on earth and good will towards men." The peace offered here is only for those with good will.

Because of that I want you to receive the peace of our God, because you have the good will to pray for us to partner with us and to participate with the physical needs of this ministry.

In this Christmas and New Year may the glory be for our God and the peace for each of you...

In Christ,

The Gómez Family
