*Reaching the world with the Gospel of Christ through the local church.*

Brasov, Romania May 2017

Dear friends

The winter almost goes away and the spring arrived, although late but already it is here (it has snowed 3 days from the 19 to the 21 of April!!!)

On May 1st we were with the young couples of the Hungarian Baptist Church of Brasov. The other picture is at home with part of them in weekly meetings of teaching and communion.

We want to thank you because you have been praying for us while serving in the ministry here in Brasov, Romania.

Here are some reasons to give thanks to God:

1. We have been given permanent residence in Romania!! It's good for 5 years!! Instead of the temporary one that is valid just for one year.
2. In the Biblical Counseling Ministries we have two new couples who have begun training to serve in their respective churches as counselors.

3. Pray for people who come to counseling each week. Especially pray for young couples who come with difficult situations even with divorce thoughts. May we be able to transmit the Word of God to those hearts by encouraging them to receive the healing spoken of by Jer. 33:6 "Behold, I will bring healing and medicine to them; And I will heal them, and I will reveal unto them an abundance of peace and truth."
4. Pray for the trip to Albania and Macedonia that we will do in May as part of our ministry responsibilities.
5. We thank God for the words of Violeta ( a Romanian lady in the church) to Martita about getting involved in the ministry of decoration in the church: "Martita I have been Reading exodus and I realized that God was interested in the beauty and delicacy in the construction of his house ... God has spoken ... thank you for opening my eyes ... "

We have led this camp for 6 years and every summer is better ... pray for the church's outdoor activities this year, camping, picnics, excursions ... and I will tell you in our next letter.

Once again thank you for being at our side interceding and giving to pay the bills ... in fact I speak about you every time I get a new person that asks me "How much I have to pay for counseling sessions?" "I answer, well someone has already paid your time with me; you do not have to pay anything."

It is a good way to present the gospel to nonbelievers because Jesus had paid already for our sins and a good way to talk about the missions to the believer, because you are doing missions sustaining us here. Thank you.
