

THE SUMMER FOR THE BERRIOS

August 2017

Family camp in Spain

During the month of August we traveled to Spain to participate in the family camp "Cosas de Casa" organized by missionaries Willfredo and Isabel Figueroa in the North of Spain, this time the invited preacher was Br. Claudiu Preda, Senior pastor from Hope Baptist Church of Brasov where we serve. Francisco was the translator and along with Martita we conducted workshops during the camp. It was a blessing to serve with a group of young leaders from Miramonte Baptist Church in El Salvador who came to support their missionaries.

We were also in Barcelona visiting Carlos and Eunice Bernard, Spaniards whom we have known for a few years. Francisco preach in their Church and connect with the leadership there.

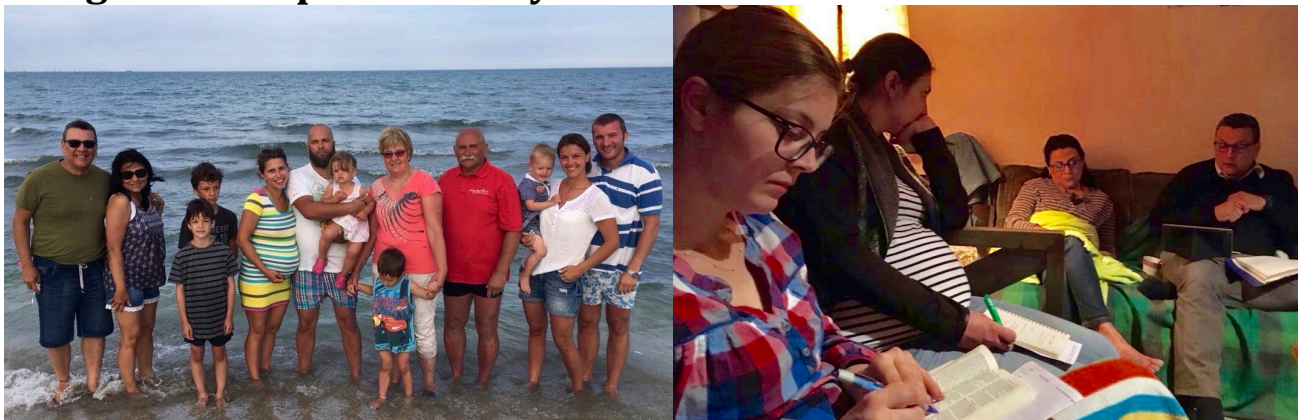

Brasov Hope Baptist Church summer activities

Among many other activities for the church, we had the couples' retreat in a camp near Brasov, Pastor Claudiu Preda taught and Martita and I conducted the workshops.

Hungarian Couples Ministry

We continue to work with the Hungarian Baptist Church couples. We spent time with them on the Black Sea and at home studying the Bible. Keep praying for these couples and for leaders rise up among them.

Once again we thank you for your prayers and financial support for this ministry in Romania. Pray for the daily ministry of Bible counseling that we do in the community. We have begun to collaborate with a hospice hospital in the city that is referring people to be counseled. Let us thank the Lord for these open doors to share the love and grace of Jesus to heal the pains of the soul. Is. 61:1-3
