

# SIMÓN FLÓREZ

## WORLD REACH MISSIONARY

### GREETING

My name is Simón Flórez and I live in the small town of Rionegro, Colombia. I was recently approved by the Board of World Reach to be a missionary to Latin America.

### EDUCATION

By the grace of God, I enrolled in a university to study Professional Translation in 2011. I did not know how God was going to use this secular education for His purpose. Some years later, I received an invitation to translate for the American missionary Bobby Wilson in a youth camp. God used that opportunity to show me my calling and for me to realize how I wanted to spend my life. Currently, I am enrolled at Birmingham Theological Seminary online to get a Certificate in Christian Ministry. I'm also a graduate of the World Reach Bible Institute.

### CALLING AND PASSION

God has given me a passion to preach His Word, and disciple others in order to see how God can change people's lives. Recently I translated for Dr. Henry Krabbendam at an evangelism conference in Colombia, and God stirred my heart about the importance of daily evangelism.

### GET INVOLVED! PLEASE PRAY FOR:

- The small groups I disciple
- Completion of my Christian Ministry Certificate
- Opportunities for evangelism
- Accuracy in translation
- Financial support for full-time ministry

Please send financial gifts to World Reach and designate for Simón Flórez.

### WHAT I DO

I teach Bible studies, preach in churches and partner in teaching in Latin America with World Reach Bible Institute teachers who speak English. With God's strength, I will translate books and materials into Spanish that will equip churches and students from the World Reach Bible Institute and dubb videos into Spanish from Olford Legacy Ministries on preaching. To accomplish all these things I need your financial and prayer support.

Would you commit to pray for me and give for my ministry?
