

Brasov Romania, January 2019

Back in Romania after a long trip this last autumn of 2018, here are some examples:

EL SALVADOR: We are grateful to our sending church, Miramonte Baptist Church in El Salvador, where we had the opportunity to teach the model of Biblical counseling in the local church that we have been implementing in

Brasov for several years. We were blessed to see almost 50 brothers and sisters who attended the 15-hour seminar. From these 50 brothers and sisters we are blessed to know that it is possible that in the near future a team of counselors will be formed around the pastor to extend his pastoral care according to the model of our proposal in the local church today. We also participated in different ministries of the church such as families, youth and other groups.

We had the opportunity to participate in the annual missions conference from our church. Pastor Claudio Preda and his wife Moni from Hope Baptist Church in Brasov, with whom we work, also came to visit us. It was a unique experience to hear him preach in Romanian and translate the message three times into Spanish throughout that Sunday, November 11, in San Salvador and in the Vida Abundant Baptist Church in San Miguel.

In Tapachula, Mexico, in the Biblical Church Fileo, we gave training to candidates for Church counselors in preaching and counseling. Thank you for that warm welcome to this model.

The Centro Biblico el Camino de Guatemala; We visited the church and old friends;

Dominican Republic; We were invited to preach the couples conference with the San Pedro de Marcori Baptist Church from Pastor Gary Hale and his wife Allison on the stunning beaches of Punta Cana. It was a great blessing to have started the project to train counselors with them.

Back home in Brasov; The challenge of continuing the ministry that the Lord has given us in this place awaits us and for that we want to thank you for your support and prayers. This year, three trips have been confirmed and ministry to the Dominican Republic, Spain and the United States await us, so we ask you to pray to be a blessing by speaking the message of God where the souls who hear us receive what

they need from the Lord. So here are some prayer requests and thanksgivings:

- Thanks for the many expressions of appreciation during the trip to us and to the ministry that God has entrusted to us
- Pray that the project to encourage and train teams of counselors in the churches we visited will be a reality this year
- Pray for Hope Baptist Church where we serve in Brasov, Romania, to support Pastor Claudiu Preda and his ministry here.
- Finally pray for the financial provision for our needs and the ministry with their travels and everything that implies.

Happy and blessed 2019!!!!
