Andres and Monica Acosta

Córdoba, Argentina: November 2015

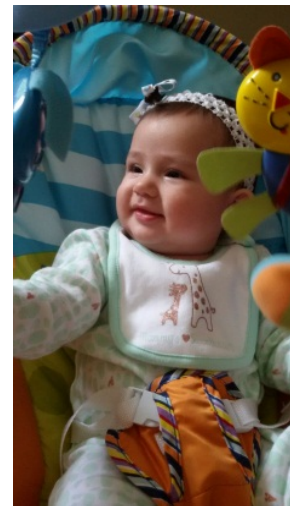

Dear Brothers and Sisters in CHRIST,

With gratitude and prayer, we come to you, to share what God has allowed us to do and enjoy to this point. We began this year of 2016 celebrating our 30 years of marriage and ministry. It has been a beautiful time around His Word, thanking Him for so much grace and mercy. We remember you because you are who, in different ways, support us and have not left us alone.

Thank you very, very much.

We are also enjoying the beautiful gift that GOD sent us, our granddaughter Amy. We give so much thanks to GOD for her growth. Also, we wish to share that our oldest daughter (Yamile) is now engaged, waiting for time to pass before establishing their lives together.

Amy, our granddaughter.

WORLD REACH®

Córdoba, Argentina: November 2015

Regarding the ministry, this year we will complete the second promotion of the MBI, and we will be starting a MBI in another church. We ask you to pray that GOD provides us with good teachers.

We have also been given the enormous challenge of writing a book about our ministry in the jungle, where we were with Miss Sophie Muller during her last ten years there. Mónica, as well as Melissa, will be working on a draft of this material.

For the month of September, Monica and I have been invited by former students of the Jungle Bible Institute, on the

Colombian side, to teach at some conferences, and there we will have the opportunity to share with several pastors. (Those who worked with Miss Sophie Muller are quite elderly now.)

We ask you to please pray for the following:

1. My health and Mónica's.
2. The ministry in Chaco and Corrientes. (We will be traveling there for an evangelistic activity the week of Easter.)
3. We will be coordinating some seminars in Corrientes to train leaders. (future MBI)
4. The VBS this year.

Thank you for your support. We encourage you to continue praying for our lives and ministry.

Your servants in CHRIST,

Andrés and Mónica Acosta **John 15:16**

The last few months we were teaching in different churches, and Mónica and I continue counseling several people.
