

The Heart of a Child

One of our ministry projects is the La Roca (The Rock) Christian School located in Jose Galvez, Peru. Started in 2005, La Roca has been adding an additional grade each year and currently covers grades K3 - 9. Approximately 260 students receive a quality, bi-lingual academic and biblical education in a loving environment.

During a music class, the teacher mentioned to the children God's provision of funds for the new classrooms through Christians who had a heart for the La Roca ministry. Although not yet complete and with additional funds still needed, she was trusting God for all that was necessary for finishing the project. Prompted by her comments, one young boy, Sebastian, offered the following prayer.

"Father, I thank you for the way you used the people to provide for the construction and through them we have a precious place to meet to study and be instructed in your Word. I don't want to leave this place because here is where I have learned to know you more. Please, Father, provide for the construction so more kids can come to know Jesus and change my parents heart so that I can stay at this school. Amen. [PS (added)] Father, you know that my parents want me to move to another school." Wow, what a heartfelt prayer, full of thankfulness, trust and transparency.

WORLD REACH

News from the Whitmore's

"For what we preach is not ourselves but Jesus Christ as Lord, with ourselves as your servants for Jesus' sake."

A Hunger for God's Word

Recently, a small, World Reach short-term team visited a town in the jungles of Peru to evaluate the possibility of beginning one of our Bible Institutes there. To their surprise, a student from a previous institute showed up, having travelled 15 hours by bus, one-way. When asked why, the former student shared of a hunger to know God's Word more. WOW! Oh to see that kind of passion in our churches here.

Investing in Kenya

Please begin praying for my trip to Kenya in November. I will be teaching on marriage and the family at our Bible Institute in Meru. Pray: 1) for transparency, 2) that biblical truth would transcend cultural traditions, and 3) that marriages would be strengthened.

Difficult Places

Please pray for World Reach team members bringing the aroma of Christ to difficult places and cultures; Pakistan, eastern Ukraine and Muslims in eastern Europe.

Thank you for your part in the cause of Christ!
