## Andres and Monica Acosta Córdoba, Argentina: August 2016

Dear Brothers and Sisters in the LORD,

With gratitude and in prayer we draw close to each one of you, because you are part of what GOD is doing here in Argentina. We are very grateful to the LORD, because in spite of many difficulties and health problems, HE is faithful and continues sustaining us each day. We have some things to share with you about our family, as well as our ministry.

Regarding the ministry, in April, we started the 4th year of the Mobile Bible Institute, really a great blessing studying "Major Prophets." Furthermore, we continued with our discipleship and supporting churches that are connected to us. In May, we began a new Mobile Bible Institute in the Evangelical Christian Church in Malvinas Argentinas, Córdoba with the subject matter of Discipleship I and II. We also taught in a conference in the province of Buenos Aires. In June we traveled to Chaco and Corrientes, 1000 kilometers (approx. 620 miles) from our house. We were teaching and visiting two churches that are connected to our ministry. We ask you to please take time to pray that GOD work mightily in that area, since idolatry is very strong.

Regarding our family, each day we are enjoying our granddaughter Amy Hannah. Seeing her grow and develop encourages us and we worship our GOD for that. A few weeks ago, she came with us on one of our mission trips, since her parents came also to help us with a Va-

## Córdoba, Argentina: August 2016

In July we had the VBS in Corrientes, with an attendance of 250 children. We also had a special activity for youth (a speech about sexual purity and abortion), and for the parents we touched on a theme based on John 10:10. Each day we were able to teach the Scriptures and preach the

Gospel, besides passing out many evangelical tracts. The result of this activity was that 105 children, 16 youth, and 8 mothers accepted CHRIST as their Savior. It was an activity with many spiritual struggles, but even still GOD worked, and gifted us with many beautiful days of sun, even in the middle of winter. GOD is with us. We ask you to please help us with your prayers, since in that area where we did the VBS, there are no Christian churches. We thank GOD that they have already started a children's activity in the plaza (by the school where we held the VBS) on Sunday mornings. The goal is to start meetings to build a church. We continue supporting different churches with teaching.

Regarding my wife's ministry, she continues with Bible Studies in the women's meeting at the church we attend. Additionally, she is discipling a group of young women once a week with themes of Christian life, an excellent time and each time more women are added. We also do a lot of counseling.

We ask you to please take time to pray for: strength, wisdom, to manage our time wisely (even learning to say "no" when we reach the limits our human bodies place on us), for the Mobile Bible Institutes, and for our economic support. We thank you deeply for the time that you take to help us. May GOD richly bless you.

Your servants in CHRIST,

Andrés and Mónica
