Lima, January 2017

## Beloved,

We pray that you have had a wonderful time at Christmas celebrating Jesus, our main reason, and that year 2017 will be filled of God's richest blessings on your life, on your family, your business, and that you will know God more through His Word during this year. It is with joy that we write you to share with you about the ministry God is doing in Peru through World Reach. We want to share with you this Bible verse that is found in 1 Chronicles 29:12: "Yours, O Lord, is the greatness, the power and the glory, the victory and the majesty; For all that is in heaven and in earth is Yours; Yours is the kingdom, O Lord, and You are exalted as head over all". This is a reminder that everything we do, we need to do it so God will receive the glory in all.

## Family....

Thanks to God our health is fine. Eva finished year 2016 with many opportunities to teach God's Word to many ladies of the church and the school. Also she taught Sexual Abstinence to the 6<sup>th</sup> graders at the school. She continues with the counseling ministry and discipleship to the ladies. Priscila finished 9<sup>th</sup>

grade with success. She is enjoying vacation with friends and serving the Lord through music in church. We are praying to be in the States during the month of February to participate in a couple of missions conferences, and to visit some friends and churches.

## La Roca School....

It was a very hard year at school, but with God's grace we have seen lives changed by the power of God. A great percentage of the children come from broken homes. It is our desire that every child and every parent will understand the gospel and accept the Lord Jesus as their Savior. Only the Lord Jesus can make permanent changes in a person's life. Our goal is to continue to bring children and parents to Jesus. God is using the ministry of the school to spread His Word of truth. God is also providing for the construction. The high school class rooms are under construction and it is our goal to start this March 2017 with all the classrooms ready. Please, pray with us and worship God for all He

is doing and continues to do at La Roca Christian School.

## La Roca Christian Church....

We have started in 2016 studying the books of the Bible with the goal that the believers will understand Scripture better, and that all will grow

in the grace and knowledge of our Lord and Savior Jesus Christ. It has been very good, and we will continue to further our studies in the books of the Bible. We just started with the Book of Genesis entitled "In the beginning". We are living in such a time where our Christian foundations are being bombarded with worldly philosophies, and it is in such a time like these that we need to be reminded of how God did all things. In the beginning; creation, man- male and female, marriage, and all the great themes we find in this wonderful book of Genesis. Almost every Sunday we have new people visiting the church, God's opportunities to present the Gospel. So praise the Lord with us for the freedom we have to teach the truth of His Word.

## Mobil Bible Institute....

This ministry of teaching God's Word is growing. We started a new site in San José de Sisa, Tarapoto. This is in the jungle. We have 45 men, pastors and leaders, very eager to study God's Word. We want to thank all of you that are involved in this teaching ministry. It is very rewarding when you go and see the light of joy in these men's faces because they are discovering God's truth from His Word. Please pray for the group of coordinators that are working with us in this ministry, Jorge

Gutierrez, Felix Velasquez, Daniel Perren, Pastor Manuel Palomino, Pastor Ernesto López, and Rodrigo Córdoba. It is our goal that wherever God opens new doors for us to go with the Mobil Bible Institute we are willing to go, because we want Him to receive all the glory. We are just His instruments. Please, pray with us that we will be faithful trainers of the Lord to these men.

Beloved, we just want you to know that you a vital part in this ministry through your prayers, your monthly support, and your visits to the field. Thank you so much. Only eternity will tell us how far our impact went through these ministries. It is our prayer that God may continue to bless you abundantly and to use you for His glory.

**Till all will hear of the Savior,**
