Dear Brothers and Sisters in the LORD,
Greetings and best wishes in the Lord for each of you.

We thank God because we have begun this year with great expectations and new challenges. We want to share these specifics with you, so you will pray with us. But first I want to share with you what we have been involved in since our last letter.

Our VBS this year, which takes place in July will be in Resistencia, Chaco. Monica will teach the women's Bible study in Saravia again this year. She also will be very involved in discipleship and counseling. We continue with our second year at the Mobile Bible Institute in Malvinas. In Saravia, we will celebrate the graduation of our students who have coursed four years of studies.

In November I had the opportunity to teach in a marriage activity. We also participated with the church plant in Villa Maria in a seminar. The first day Monica taught all the women and I taught all the men. The second day Monica and I were together teaching on sexual purity. We were able to share this with over 100 youth! In the same month, Monica was able to conclude her Bible study with the women of the church.

First baptisms: Villa Maria

During the months of December and January I was able to preach in various churches. We baptized 5 people at Villa Maria and I had the opportunity to preach and present the Gospel. Lately we have been heavily involved in marriage counseling. This year we hope to have many activities in various churches. We will be starting a Bible Academy to deepen Biblical knowledge with the members at the new church in Villa Maria.

Please join us in praying for:

- Monica's health
- Increase in financial support
- Wisdom in our ministry of discipleship and counseling
- Renting or buying a space where we can host activities associated with World Reach.

Your servants in CHRIST,

Andrés and Mónica
