

**MINISTRY UPDATE FROM THE HUYHUA FAMILY**

Dear Brothers, it is with great joy that we share with you this update, especially during this time of year as God has been using us and teaching us in his work.

**MBI, Trip to Colombia:** My time in Colombia was rich! Most definitely the 14 days I spent there were very memorable as I was responsible to teach God's Word (Christian Life) and as I spent time in communion with the brothers that attended the institute from different churches. I enjoyed the great hospitality of the Naranjo family, with whom I stayed. They showed great love and thoughtfulness. May God bless them with his indescribable love. Even though I was separated from my wife and children on this trip I saw how God cared from them as well.

There was good attendance at the Mobile Bible Institute as they were faithful in coming throughout the entire time. Not only those who had registered to come, but also the members of the church there in Medellin where we met.

**MBI, Trip to Tarapoto:** Recently I also traveled to teach in the rainforest here in our country. I went to Tarapoto, Peru, to teach at the Mobile Bible Institute organized by our mission, where pastors and leaders from the surrounding area came for a

week to study. I am content with this experience that God gave us and my heart is filled with gratitude to God.

**Youth:** We continue working with the youth with the goal of raising up in the grace of God the new generation of leaders for our church. As time has passed and according to our vision for the future, we have seen several young couples get married this year and get involved in serving together in our church and Christian

school. It is a great joy for us to see God's faithfulness in calling them to serve him.

**Cell Group:** Since last year we have seen more families getting involved in the cell group that meets each Friday. Truthfully, we have seen the grace of God in the families who have become involved in serving the Lord. One of these new families is the Rodriguez Estrada Family. We rejoice with them to see their willingness to get involved in the work of the Lord.

We continue to focus on topics that relate to the family and we pray that they will continue winning more families to the Lord. Additionally, it is stimulating being able to grow together alongside them.

**Nursery:** My wife, Evelyng, along with Pamela Rodriguez (whom I referred to earlier) take care of the babies up through age three during Sunday School each week. This has also been an opportunity to train Pamela to serve God in another area of our church.

My wife continues to serve in the Pre-Natal Center, for now she is helping on Thursdays, as Nathan is still very dependent

upon her as he is 10 months old. She disciplines two girls and shares the gospel with new people who come to the center for assistance.

**Discipleship:** As we have shared with you this is our task and vision. Currently, I am working with four people, one of which is new in the faith and the other three are active in the church. It is our prayer to not only spend time studying the Bible with them but also to lead them to serve in practical ways in the local church. We hope that by the grace of God we would be wise, continue to learn, and see in them fruit for God.

**Us:** We thank God, brothers, that we have what is necessary to continue serving him. We ask that you would pray for us that we might carry out well our tasks, first as husband and wife, then as the parents of our two sons, which is without doubt our priority. David is growing and we thank God that he has good grades at school this year. Nathan is now crawling and wanting to walk. You can imagine how tiring this is, especially for my wife, but we are content that God gives us all that is necessary for each day. We desire to continue growing in the ministry but without neglecting our home. This is our request to God, wisdom and faith to believe that which God will do with our children.

David now accompanies me each Saturday to pick up kids and bring them to Bible club on Saturdays at our church. It is a joy for me to see him there alongside me in this.

Thank you for all your prayers, brothers, and your great support for us. We continue, just as I have said many times, to be indebted to God through you all as you are the hands of God to us. May God grant you the desires of your heart and remember the offerings and love that you have shown us.

We love you and thank God for you in our prayers,

Bryan, Evelyng, David and Nathan Huyhua
