

La Roca Christian School....

This year, 2018, will be a great year for us. We will have our first high school graduation. The first class started with 16 students. This year 22 students will graduate of which 6 of them are originally of the first class that gave beginning to this ministry. They are now teenagers and every one of them have their own struggles, victories and failures. We praise the Lord for giving us health and grace to be with these kids in this stage of their lives and for

the opportunities to help them to apply God's Word to their situations. We want to ask you to pray with us for this graduation and if God puts on your heart some great ideas that we can do for this first class that will impact their lives for eternity, will you share this with us? We will appreciate this a lot. Thanks. Also, pray with us for a vision that we have. It is our heart's desire to send seven (7) students from this first class to a Christian College in the States to study education and then bring them to the school and let them be the new generation of teachers to teach their own people. I know that this requires a lot of paperwork, a lot of money, and a lot of trust of the parents, but if this vision is of God, it will happen. I will like to invite you to pray with us and see together what God will do. Thanks. By the way, this year we will have over 300 students. Praise the Lord!!!

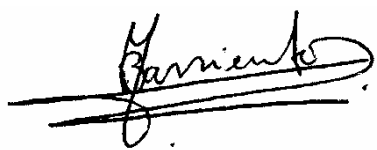

Family....

Eva is doing fine; Priscila continues to grow physically and spiritually. She is seeing life now with more matureness and is praying that God will show her His next step for her life after she graduates from high school. She will be one of the graduates of 2018, God willing. Eva's health and mine, according to the last report of the doctor, are doing very good and we praise the Lord for this. Please, continue to pray for our spiritual growth, for wisdom in this great ministry that God has entrusted us with, that we will be faithful in sharing, teaching, and preaching His Word. Thank you also for your faithful financial support and it is our prayer that our Lord will bless you abundantly and continue to use your lives for His glory and honor.

We want to wish all of you a blessed New Year 2018 and pray that you will continue to love and serve our Lord Jesus Christ till He comes. May His grace, mercy and peace be with you. Blessings.

Till all will hear of the Savior,

Juan, Eva, and Priscila Barrientos

produce the purpose God allows it to be taught. Praise the Lord!!! You are part of these saving lives. Last December this couple got married and their goal is to serve the Lord and to do the same thing we did for them when they were young. Praise the Lord!!!

Mobil Bible Institutes...

This ministry continues to grow. As I already shared with you we started a new site in San Jose de Sisa, Tarapoto, the Peruvian jungle. There, we have 35 faithful students with a great desire to study God's Word. Last December, we graduated another class, in Cuevas, Piura. Twenty-two (22) pastors and leaders graduated after 3 years of intensive studies and a lot of sacrifice. We want you to pray with us that God will use this ministry to

enlarge His Kingdom in the different areas from where the pastors are, and that churches will be spiritually built through discipleship and sound bible teaching, and that many souls will come to know Jesus as their Savior. This will be our greatest satisfaction. Also, I have been invited to Chipillico, our first Mobil Bible Institute site, to preach in a conference of churches. They are praying for us to

consider again this place to start a new class. They have 25 pastors and leaders for this class. Will you pray for us that God will give us His strategy and financial support for this new challenge? Another great door of opportunity is opening in the jungle, Puerto Rubina, Loreto. We have been invited to come and teach the Scriptures for them to get to

know us. The first class had an attendance of 125 participants, and got very excited, and extended us an invitation to come to this area to teach them the Word of God. What a privilege!!! To get to this place is very hard, at least 2 days on the river. 1 Corinthians 16:9 says *"for a wide door for effective service has opened to me"*.

News from the Barrientos - Lima Peru

Lima, February 2018

Beloved,

It is always great to know that we have people like you that pray for us every day. The ministry that we are doing requires a lot of prayers. We want you to know that we pray for you also. We want to share with you some exciting things that God is doing in Peru.

La Roca Christian Church....

In the month of November, 2017, we celebrated our 18th anniversary as a church and we had a special emphasis on the families of our congregation. The theme was growing together in grace as families. We are sure that as we strengthen the families we will have better homes, better cities and better nations. Continue to pray for our church, the home churches and our church plant in Quebrada Verde. It is our goal to

start another church plant where is needed. Almost 3 months ago a couple visited the church and after dialoging with them, the man, when he was young, used to attend our first kids Bible Club. My wife and I met with them and during that meeting he shared a very precious testimony with us. He started thanking us for being faithful to the Lord and for being available to the Lord to be used in any way by Him. He told us that during his childhood, his father was very sick and that his mom needed to take care of him, making their situation very difficult, to the point that there were days that they literally didn't have anything

to eat. But on Saturdays when he and his little brother were coming to the Bible Club we gave them rice, water, raisins, broccoli, lettuce and clothes. All of this was donated by several people from the States. This food will last them for the entire week and then the next week the same thing again. Tears came from our eyes when we heard this story. The Bible says that the Word of God will not return empty, it will
