Beloved,

Thank you from all of our hearts for being a part of this ministry. The months of February through May have been months of much physical and spiritual labor. Your support, fellowship and prayers have been very important to accomplish what you can see in these pictures.

- To prepare this place to host all of our Latin Americans missionaries, their wives, directors, Bible Institute Coordinators, the Birmingham staff, and some visitors for our Missions Conference.
- To finish the apartment to receive new missionaries this year.
- To prepare this place to start the new school year at La Roca Christian School. This is an important year for La Roca. We added 12<sup>th</sup> grade and will graduate our first class.

Serving groups is not an easy job. God has given us the strength, the joy and the wisdom to do this. The work of evangelism, discipleship, and counseling continue in the midst of all the extra activities. We beg for your prayers to continue with hearts of servants of the Living God and that we may continue to serve with the passion and the call that the Lord has dwelled in us. Sometimes, physical activities had the tendency to take the joy of ministry away but pray that our joy will be more abundant every day. On our Facebook (Eva-Pris Barrientos) you can see more pictures and read more of what by the grace of God we are doing in Lima, Peru, and other places. Let us together trust God more like His servant Daniel did. Let us serve Him with hearts full of integrity, being faithful; whether the responsibility is small or huge. Pray please, for my health. The doctor diagnosed me with severe bronchitis, so I'm battling these days with this flu. My family is very grateful for your prayers and financial support.

Till all will hear of the Savior,

**Juan, Eva and Priscila Barrientos**
