Dear brothers and sisters in Christ,

Please receive from us many greetings, and our best wishes and gratitude for the time you take in praying and reading about our ministry.

Since the last time we wrote, God has given us many opportunities to be involved in various activities as we serve Him.

As far as our family goes, we are thankful that each day we are learning, growing and enjoying that which God has given us.

I would like to share with you the following updates.

In the months of March and April we had Mobile Bible Institute classes in all three of our locations, Malvinas, Matienzo, and Villa Maria. We had two teachers teaching these classes, Jon Simpson and Alen Nieves.

In the months of April and May we had various activities of Vacation Bible Schools in different neighborhoods in Jesus Maria. We had 108 children total in attendance and 18 decisions for the Lord. In July Corrientes had their Vacation Bible School.

In May we were able to attend three seminars together with World Reach. This was a precious time of communion, knowledge enrichment and a time to evaluate the ministries that the Lord has charged us with. We were able to meet and get to know the larger World Reach family of Latin America. Our son, Andres Esteban was able to go as well. He participated in many of the seminars and his life was greatly impacted. It was his first time to attend a seminar of this nature.

Córdoba, Argentina: August 2018

In June we began the second trimester of Mobile Bible Institute classes in Malvinas, Matienzo and Villa Maria. The teacher for all three was Rogelio

Sambo. Also in June Monica and I participated in various activities with the churches including men's Bible studies and women's Bible studies. Our hearts were impacted as we saw the great desire of the people to learn from the Word of God. These are very poor places. Five people gave their lives to Jesus. We ask for your prayers as we work together with these churches in various activities for adults and children of all ages.

There are no churches and it is a great challenge to disciple, teach and prepare leaders to start new churches. We are also

developing materials that we can use to teach in marriage classes. In general the concepts, principles and values of a Christian home are ignored.

In July we visited the United States. We participated in a Women's Conference in a church in Sevierville, TN. It was a beautiful time to serve with people there.

Dearly beloved brothers and sisters in Christ, we thank you for our time, for praying and for partnering with us. This is a great help to us and to our ministry which God has given us.

We say good bye for now and we thank God for each of you as individuals and as the Church of Christ.
