## Teaching pastors & leaders

Dear Family and Friends,

It's been a full year, with much travel to teach pastors, aspiring pastors and church leaders in different parts of the world.

In April, I taught New Testament survey in Honduras to two different groups of students. In May, I taught and preached in Lima, Peru at our WR missionary training conference. In June, I taught Missions, Evangelism & Discipleship to 17 students in Cuevas, Peru.

Colleen and I had a great trip to Bogota, Colombia in August where I taught a 10 day New Testament survey course to 31 students. The students were very attentive and super motivated to learn and we enjoyed getting to know them better. Bogota is a huge city of 9 million people where the Gospel and the church is growing, but there is great need for trained pastors and leaders who can teach and preach God's Word faithfully with sound Biblical doctrine (there is much false teaching there).

We also had the opportunity to attend the Missio Nexus Conference in Sept. in Florida, which was a gathering of missionaries and mission leaders from all over North America and the world. It was very encouraging and a good time for learning and networking with other missionaries.

### Please pray for us for:

1. Brad's upcoming teaching trips to Sisa, Peru in early Nov. and to India in early Dec., that God will use the classes to encourage and equip pastors and leaders to preach and teach God's Word faithfully and effectively.
2. Our granddaughter Elsie Gray's healthy growth, and the safe delivery of Daniel and Alexandra's baby boy—due on Dec. 9.
3. Protection for Brad while he is teaching in Peru and India.
4. That the Lord help us raise the rest of the financial support we are responsible to raise for World Reach. We are currently at 35% monthly.
