November / December 2018

Thank you

We are grateful for the time, prayers and financial investment that you have made in us during this year. Ministering in Honduras is a team effort. It is an expression of the body of Christ working together for God's glory. Thank you for being there with us, for being a part of our team.

Baptisms at Bethel Church

In August, we baptized 20 people. Some of them were new converts and some had been under my youth pastorate. I apologize for the photo. When you are the photographer it is always difficult to get a good photo of yourself.

Youth Leadership Congress

In October, I gave a workshop in a nationwide youth leadership congress. My topic was strategies for teaching the Bible and leading youth to transformation. I was able to invest in some 150 youth during the 3-day event.

Evangelism Seminar

In November, the senior member of our team here in Honduras held an evangelism seminar for pastors in our city. He has a wonderful gift for evangelism and has a vision to encourage churches to evangelize more. Five members of our team participated. In my session I provided the pastors with suggestions as to how better train their congregations for evangelism. (Although they did spell my name wrong.)

Paperwork, too much paperwork

As field director in Honduras some of my time is invested in the logistics of maintaining our team of missionaries. During the past month I have made 2 trips to the capitol city to leaf through governmental records from the mid-1980s. I have been looking for the original publication of our organization's legal permission of operate in Honduras. Unfortunately, I do not have an exact date of publication. So I have started with the date the permission was signed and have spent 7 hours going page-by-page through several thick tomes.

Please pray that I will be successful in finding this record and in continuing to keep our organization up to date with all that is required.

25th Anniversary of our Bible Institute in Honduras

At the end of November we will hold a special conference to celebrate the 25th anniversary of our Bible training program. During these years our team has trained over 300 pastors from whom more than 50 churches have been planted. One hundred of our graduates and current students will travel to Siguatepeque for the 3-day conference. We will be thanking God for what he has done in the past and share our vision for the future of the program.

Please pray for God's blessing on this event, that he would encourage us all to continue with the task of training wise, loving and creative leaders for his church.

Please do not underestimate your participation in the ministry in Honduras. Your prayers are an indispensable part of what God is doing in and through us here. Thank you for taking the time to understand what we are doing and to intercede on our behalf. We are grateful for your partnership with us.

Fellow servants,

Peter & Jany
