

WORLD REACH®

Andres & Monica Acosta Córdoba, Argentina: November 2018

Dear Brother and Sisters in CHRIST,
Greetings and Blessings for you and your loved ones in the LORD.
Praise GOD we are doing good. We have been very busy and had a few health problems, but we praise God for His faithfulness.

We want to share with you what GOD is doing since the last time we wrote. Our family is doing good, we thank GOD for that, everyone is busy with work, studies and ministry.

But before we share, we send our love and hope Thanksgiving celebrations were a wonderful time to celebrate together as family and to give thanks to God.

In the end of June we traveled to the US on a special invitation for my wife to teach during a women's retreat.

Women from various churches attended and it was a great time for them to share together.

We had the opportunity to travel to North Carolina, Atlanta and Birmingham sharing the Word of God in various churches. When

we returned to Argentina we continued our ministry with Mobile Bible Institutes and teaching in

various churches, both in men's ministries and in women's ministries.

We continue partnering with the church plant in the northern part of the province of Cordoba, Santiago del Estero.

This is a beautiful ministry which is growing quickly. I have also begun a Bible study with 12 men of the church in Jesus Maria.

We are thankful with GOD that our son Andres Esteban has been involved in activities with the middle schoolers from a neighborhood in Jesus Maria. The goal is to reach them for CHRIST. Monica and I continue teaching various important topics with various Young married groups.

WORLD REACH®

During the month of October we had the visit of Jon and Kelly Simpson. We had various activities with them in many different churches. We participated in meetings with pastors and leaders from about 6 churches and presented them with the church revitalization seminars.

We also went to the province of Santiago del Estero where we taught and preached the Gospel in the city of Villa Ojo de Agua. There, 5 people received CHRIST as their Savior. We went to a church plant in the countryside

where we taught women and men separately and more specifically to each ones needs. Three women accepted JESUS as their Savior.

Our daughter Yamile went with us and she was able to share with a group of children that showed up, she had games, crafts and a story. A few kids gave their lives to JESUS.

Kelly and my wife had the opportunity to share and preach in 5 different churches and many women Heard of the love of Jesus. We thank GOD for these results and for this time of ministry we had.

We would like to share with you various prayer requests we would ask you to pray with us:

Wisdom as we counsel so many broken people and as we teach the Scriptures. Teaching opportunities Monica has in the month of December.

For our finances. Our house contract is up, we need wisdom to know if we should renew the contract or look for another house, they are raising the rent considerably.

We ask you would pray with us for our daughter Yamile as she is planning a missionary trip to Eastern Europe in April 2019.

We thank you for taking the time to read our report and for partnering with us through prayer and through your financial support. May GOD bless you richly.

Andres and Monica Acosta.
