

WORLD REACH

“Reaching the WORLD with the GOSPEL OF CHRIST through the local CHURCH”

News from the Barrientos - Lima Peru

Lima, March 2019

Beloved,

It is a privilege to know that we have people that love us, that pray and care for us. We want to thank you so much for being a significant part in this ministry with us. It is our prayer that God will continue to enlarge your vision and love for His ministry in Peru.

Our goal with the church for 2019 is to grow in the grace of our Lord Jesus Christ. We praise the Lord for those that have heard the gospel and accepted Jesus as their Savior. Pray for effective discipleship and counseling to these new believers.

We want to share with you that we finished our school year 2018 with our first graduation in High School.

Seventeen students graduated and among them our daughter, Priscila. One of these graduates accepted Jesus as her Savior after a long period of hearing the gospel. Praise the Lord!!!

We started this year with a group of 31 students from Salisbury Christian School in Maryland. It was a week of evangelism, VBS and working on a project on campus. Our camp ministry went well. We had the privilege to preach the gospel and several kids and teenagers came to know Christ as their Savior.

This summer we were able to do two spiritual retreats, one with the La Roca mission staff and the other with the school faculty. It was a great time of refreshment, of Bible studies and prayer. I pray we can continue to do this more often because it helps us to focus on Christ and the work He is doing in and through our lives. It is also a good time for evaluation.

WORLD REACH

“Reaching the WORLD with the GOSPEL OF CHRIST through the local CHURCH”

News from the Barrientos - Lima Peru

It is now “back to school” time here. We just started classes and we began with a parent’s night. The gospel was preached and 15 parents accepted the Lord Jesus as their Savior!

Our daughter Priscila is in the midst of preparation for college. Her prayer is to prepare her heart and life to serve the Lord. She wants to take one year of Bible at Word of Life Bible Institute in Schroon Lake, New York. Then she plans to study music at Pensacola Christian College. We are praying with her for God’s provision for college. Her goal after studies is to return to Peru and serve at La Roca Christian School.

Also, three others from our first graduated class: Lucya, Guillermo and Diego, want to serve the Lord at La Roca after their studies in Pensacola. So, we want to ask you to pray for them, for God’s provision for college, for God’s leading in their lives and for faithfulness to the Lord during these years of studies. This is awesome, because it is an

answer to our prayers to see young people love the Lord, fear Him and serve Him.

We want to ask you to continue to pray for us that God will enlarge our vision for ministry. It is my prayer that this year we can be a light that shines with the glory of God so others will see Christ in us and will accept Him as their Savior. We love you and we pray that God will continue to use your life for His glory and purpose.

Till all will hear of the Savior,

Juan, Eva and Priscila Barrientos
