December 2018

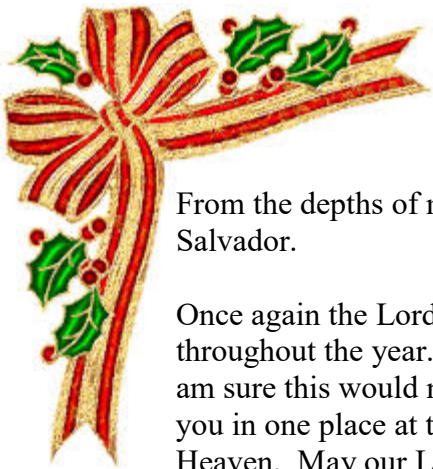

We finalized the year with the blessing of baptizing three people into our church. It has been such a blessing to see the hand of the Lord in their lives. Each step they take as they grow has been exciting.

Francisco, Karla Lucia and Gladis passed through the waters of baptism and have become disciples of Christ. They were excited to begin serving God and to share with others of the love of Christ. As a result of Karla's testimony her father has now begun to attend church and he is very close to surrendering his life to Jesus.

This month, we are being visited by a group of dentists. It has been a special time for us. It is my first time to work with this kind of team. I was excited to receive them. As I write this letter I am in the middle of the week with the team. We are visiting the poorest communities in the area. I just want to share a sneak peak of this great blessing and in the next letter I will share more details with you of how the Lord has been at work as we serve Him.

From the depths of my heart I want to thank you for being part of my ministry here in El Salvador.

Once again the Lord has been so faithful in everything. I have felt His care and love with me throughout the year. To have the privilege to serve Him each day makes me grateful to Him. I am sure this would not be possible without your prayers for my life. I would love to have all of you in one place at the same time and thank each of you. I guess that will only be possible in Heaven. May our Lord bless your lives. May this time of Christmas bring peace to your hearts and may the new year be according to the will of Christ.

FELIZ NAVIDAD ;!!!Merry Christmas!!

Thank you for your prayers. I can feel them in all areas of my life.
