

Dear brothers and sisters in CHRIST,

We come to you by way of this letter to greet you and share our wish for abundant blessings for you. Always and continually you are in our prayers with gratitude.

We want to share with each of you about our family, ministry, and obviously, about what GOD is doing.

Regarding the family, thank GOD, we are well, continuing with normal treatments for health problems. The children are doing well, studying and working. Our granddaughters every day surprise us more with the things they are learning, like what happened a few days ago for the first time. The three year old prayed in a way that overwhelmed me emotionally and made me cry. We thank GOD so much because we desire to be a spiritual influence in the lives of our two granddaughters.

Teaching in the new church—April 2019

Discipleship Group in *Jesus Maria*

Regarding the ministry, we have carried out several things, for example:

I had the opportunity to teach each Sunday in different churches, especially in one of them, where I taught the book of Ephesians.

I started discipleship with 12 men, the goal is to establish leaders for the works that are being started.

My wife and I continue with the ministry of counseling, each time there are more needs in this area.

My wife continues with her teaching ministry in different women's meetings.

We had a Mobile Bible Institute in two churches with the teaching of brother Estrie Britton.

“You have not chosen me, but I have chosen you, and ordained you, that you should go and bring forth fruit, and that your fruit should remain: that whatsoever you shall ask the Father in my name, he may give it to you.”

John 15:16

We request your time in prayer for:

New Bible Institute—April 2019

- The ministry of the Mobile Bible Institute.
- Discipleship of the 12 people. It is wonderful to see them growing and the fervor they have in this process.
- In the month of July we will have the Vacation Bible School. Not only do we need your prayers, but also financial support to prepare for everything this involves. We are aiming for 300 children.

- We have two towns that need churches planted, located in the south of the province of Santiago del Estero.

We thank you for your attention and the time you will take to pray for us. A big hug and our love in CHRIST for each one of you. May GOD bless you.

Your servants in CHRIST,
