

Please pray for The Training Project in two Churches

After coming back from a two-month trip to Africa and the States, I'm finally back in my country Colombia. It's good to share with the people what you learned so they get excited.

During the time abroad there were two things that hammered my mind again and again: the importance of disciple-making and leadership development.

The Training Project

Two days after arriving in Colombia I gathered the leaders in my church and we launched the idea of training the whole church:

- In Bible knowledge
- In character
- In skills

I gave them two weeks to pray about it and to hear God's voice and commit. They responded. Last week they unanimously gave their YES! And we started last Thursday April 18th.

We will have classes as the typical classroom where they come and listen to the lectures. But that's not going to be most of the classes. In fact, most of the subjects are going to be studied at home.

We distributed Third Millennium materials in a USB drive and they have available videos, audios, and manuscripts of the class.

We will do a follow-up meeting every 2 weeks where we will answer questions and have a discussion time to prepare them for the final examination.

We will also take some time with each student to help him grow spiritually, and have counseling sessions, we will have tutors. And finally, we will teach them how to do evangelism, have a small group class and preach or teach.

Our hope was to train 25 to 30 students from both churches that will become faithful disciples and leaders.

The result? We had 28 students that want to faithfully study God's Word to grow and effectively take part in different ministries!

USB Drives for every student

We gave every student a USB Drive with 13 GB of materials for a whole year. They were thrilled!

Upcoming events

After our first class on Evangelism, the students will start studying the lessons at home. We will have our first meeting on May 11th. Please pray for the students to be faithful. Thanks for your prayers and support!

Want to partner in my ministry through World Reach?
