## Training pastors & church leaders

Dear Family and Friends,

Colleen and I recently got back from a very fruitful trip to Bogotá, Colombia where I taught a 10 day course on Discipleship to 31 pastors, aspiring pastors and church leaders at our Bible Institute there.

It was a great week of interacting and studying the Scriptures together about this all-important topic. One of the highlights was that each of the students had to lead a small group Bible study on a discipleship topic with 5-6 other students, as well as disciple another student one-on-one. This made the course very interesting and practical.

This month (May) brought some difficult challenges as we had a family medical emergency and had to cancel our trip to Kenya to teach New Testament Survey to 17 African pastors there. The good news is that the course continued with several World Reach African teachers stepping in to teach the course in Brad's place.

**Please pray:**

1. That God will heal our family member who is still very ill.

2. That the students in my Bogotá course will begin discipling other believers in their local churches through small groups, large groups and individual discipling relationships.
3. That God will bless Brad's development of courses in Spanish that he'll teach:
  - 1 & 2 Corinthians course in Honduras in July.
  - Church planting and administration courses in Argentina in Aug./Sept.
