WORLD REACH

## News from the Whitmores

*"For what we preach is not ourselves but Jesus Christ as Lord, with ourselves as your servants for Jesus' sake."*

Just a note to pass on three things to you.

**F**irst, I've enclosed our latest "Stories from the Field" brochure. In it, we focus on World Reach's ministry in Peru by featuring five individuals and families impacted by the Gospel of Christ.

**S**econd, please go to the following link to view a three minute video about World Reach. This will give you a quick look at who we are and what we do.

**T**hird, it looks like my travel schedule will have one more trip than I had planned for this year or early next year. We are getting close to having sufficient funds to undertake a renovation of our medical clinic in Muthetheni Kenya. I wrote about the need for this work in my letter to you this past May. So I will need to travel back to Kenya to get this project off to a good start. There is a saying that I learned many years ago in my time as a project manager for an engineering company- "You get what you inspect, not what you expect!" The cost of this additional trip will be about \$3,000. If you are in a position to help make this possible, anything you can do would be greatly appreciated.

*Thank you so much for your part in our ministry with World Reach.*
