## PRAYER REQUESTS

- For the formal start in January the class of "Making Disciples through Small Groups" in the virtual classroom of World Reach.
- From February the first level of the Mobile Biblical Institute of Global Scope will begin in the cities of Santa Rosa de Copán and Siguatepeque. We hope to train 30 to 50 Christian leaders between the Three groups.
- Projects to continue writing material to support the spiritual growth of the believer and new online classes for Global Reach.
- For the training of Sunday school teachers and our ministry of teaching in the local church where we gather.
- Please pray for us. During 2020 we need to raise the economic livelihood we need for monthly spending as a missionary family.
