Dear brother/ collaborator,

I want to thank God in the first place that I might enter the year 2020. It is an honor to serve the most High God!! This is my first letter for this year. As you have noticed, the lay-out of my letter has changed. It is my way of organizing the information in a better way for you.

In my letter of December I expressed my wishes for this year according to Psalm 20:1-7. I am very thankful to God for all He has done last year (Psalm 107:1-2). I am expecting God to do great things again this year (Psalm 60:12). A special thanks goes to you, who are a great support and blessing in my life through your prayers and or offerings!!

Month of January: Camping

The focus of the month of January was the camps that La Roca church organizes. We, as leaders of the camps started with the preparations December last year. For me this meant prepare workshops, materials for the camps, decorate dormitories etcetera.

We had three camps (#):
13-17 January: children (± 110)
21-24 January: adolescents (± 70)
28- 31 January: young-adults (± 30)

Decorating dormitory

Reception of the children of our dormitory

The main theme of the camp was: the Armor of God (Ephesians 6: 13-18). Various participants were not Christians. So, there were souls that were saved or dedicated their lives. ☺ We had good bible studies devotionals, competitions, and time for counseling.

Give thanks for:

- ✚ Male leaders for the camp;
- ✚ Saved and dedicated souls;
- ✚ Edifying studies and workshops;
- ✚ Strength and grace during camps;
- ✚ Impact for Christ through Medical campaign;
- ✚ 'Twin Mission'
- ✚ Successful end of ACSI- course;
- ✚ God's provision.

Pray for:

- ✚ Discipleship of the new converts;
- ✚ Teachers (new) & School management
- ✚ Treatment of my hands (my health);
- ✚ Choice of area of studies of counseling
- ✚ More sensitive to Peruvian culture;
- ✚ God's protection; (my Mom and I);
- ✚ Good night rest.

Team of Twin Mission

Team of the twins: Elena & Eunice (first left and last right). They are two Nigerian doctors who live and work in the USA. Together they initiated this mission. Now, there are doctors of different nationalities in this team!! (Psalm 150:2).

A special thanks goes to the sister in Christ who sponsored some of the participants. They were eleven in total 😊. Glory be to God for the goodness of this sister! God Himself will reward her (Luke 6:38). I recorded a video of these kids where they thank this sister and give their testimonies. They were joyful and some of them lamented that the camp had come to an end...

The topics of the workshops that I gave were: (1) 'How to

Workshop of the girls

take care of my body' (in order to prevent sexual abuse). Statistics show that the amount of cases of sexual abuse of kids is alarming! Peru is working on a prevention campaign. (2) 'The challenges of social media' (twice).

Month of February: medical campaign

During the month of February our focus was on the medical campaign. A group called 'Twin Mission' came to Peru for this campaign with doctors of different specializations (pediatrician, gastro-enterologist, dentist, medical doctor and optometrist). We visited several neighborhoods where this team of doctors gave medical service/treatments and **free** medication during the morning and the afternoon!!

Campaign in Manchay

Our goal: to evangelize demonstrating Christ's love. My job was to interpret for one of the doctors. They did an amazing job and offered food packages to the families that came out 😊.

The kids were pleased with their gifts. They also did a special program for La Roca church in Lima and in Quebrada Verde. This consisted of testimonies worship, games and a message.

Interpreting at La Roca

Final Word

I thank God for His marvelous works and for all I learned about spiritual warfare and trials (Hebrews 5:8; 13: 21).

Your servant in Christ,

Sharine Brigitha
