

# WORLD REACH®

Andres & Monica Acosta Córdoba, Argentina: August 2019

We remember you dear brothers and sisters in Christ. Greetings and thanksgiving to you for taking time to pray, partner and read our report. We are excited about what God is doing here in Argentina.

We are very encouraged for what God has allowed us to do and for the things we get to enjoy. We have been spending time with our granddaughters, and as grandparents we want to be a spiritual influence in their lives. Our children are well, studying and working and growing in the Lord. We have been excited about what God has done in the ministry here and we want to share with you:

1. In May I taught in the George Müller Bible Institute in Córdoba, Argentina.
2. We had Bible classes in Villa María, and a Bible Institute class in Matienzo, Córdoba.
3. We are finishing up with the third class in the Mobile Bible Institute.
4. We have two Bible Academies in 2 different churches. We are investing in the growth of the church members.
5. We continue with discipleship both for men and women. This is a beautiful time where we have seen much growth and commitment from the church members.
6. We are in the middle of spiritual formation

training for leadership. These take place in different parts of Córdoba. We have the need to place leadership in churches that currently have no leader. (We ask for your prayers)

7. We have had our Vacation Bible School. It was a special time. We saw the hand of God as we counted with very little resources. God provided all that we needed. We also saw God's hand over us as the weather was nicer than we thought it would be. Normally we have very cold days and lots of rain, but it was sunny and beautiful. Because of this we had more children than expected. We had 245 children and 118 decisions for Christ. We also had 49 parents attend during the week and 18 of them gave their lives to Jesus.

Brothers and Sisters, please pray for us. We need your constant prayers for us personally and our ministry:

- Pray for our different ministries, teaching, discipleship, counseling. Pray for growth and development.
- Wisdom as we work and strength for each task.
- We need to buy a new vehicle. We need to be able to go off road since many of our churches are in very rural areas. Please pray with us that God would provide the needed funds.
- Please pray for our health.

We thank you for your love and support for us and for this ministry that God has called us to. We wish the Lord would bless you and your family.

Your servants in Christ,  
Andres & Monica Acosta
