¡CHRISTMAS TIME !

We are always left with new friends in the communities after the medical team leaves in July. We continue being blessed by helping them with their needs. This year I had the privilege to meet more people and to fulfill their primary needs. There are three pastors in the rural area in the northern part of Santa Ana. These men, along with some members of their churches, are receiving help with basic living needs; food, clothing, etc. This way we encourage them as they walk with Christ and we help them carry the Word to very difficult areas. Glory to God for their work!!

Classes in the public school have finished. I am grateful for what I was able to do in the schools. I taught many times on topics that are important for the youth. I think I am improving on the topic of sexuality for teenagers because they have asked me to teach on this frequently. I am always praying that the students will grasp what was taught and also that they will seek God. This is my primary objective whenever I am in the schools.

We have implemented a simple system in which each child spends some time alone with God each day. It has been exciting to walk together with the parents to acquire the discipline to seek after God. Each Sunday during Sunday school they share what they have learned during the week and they share their devotionals with the class. The promise given in the Word is that it will not return empty. We will wait for the fruit. Thank you for praying for the children of our church.

All that has happened in my life and in ministry this year would not be possible without your prayers. Each day I can feel the presence of God. He guides and he cares for me. He provides and sustains me in everything. Dearly beloved, thank you for your support. I trust in God that you will have a good year to come, that your souls will grow in God and that you will enjoy good health. May this special season of Christmas be filled with many blessings. May God bless your families. May the Lord grant the petitions of your heart.

***¡FELIZ NAVIDAD Y BENDECIDO AÑO NUEVO DESDE
EL SALVADOR!***

God Bless you.

In Him
