

WORLD REACH®

Andres and Monica Acosta Córdoba, Argentina: March 2020

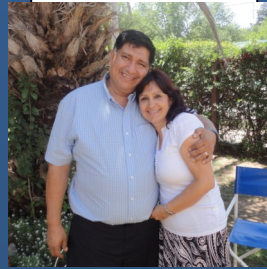

Dear brothers and sisters in Christ,

We would like to share with you how we have been and also thank you for all you have done. Thank you for your prayers and for being a part of our ministry. You are always in our prayers and we pray God blesses you richly.

As far as our health is concerned we are being careful and we continue to watch our health along with all the suggestions from our doctors.

Our children are doing well. Although our daughter Yamile has been diagnosed with a serious problem with her spine, mostly neurological. She will most likely have to be operated on soon, and we ask you to join us in praying for her.

Our grandchildren are always active. Amy began her classes in kindergarten. We are enjoying watching them grow up.

In the month of September last year, Brad Taylor from World Reach, US came to give a class in our Bible Academy in Villa Maria. He also taught some seminars for pastors and church leaders in 5 different churches. This all took place in Sierras Chicas, Córdoba.

WORLD REACH®

We also visited the church plant in Santiago del Estero. In November, Mónica taught in a women's retreat in Villa María. She continues her teaching and counseling ministries in various churches. In December we had a special event to culminate the discipling and church activities of 2019. We began discipling 6 people and later added 8 more.

Bible Academy

In January and February we continued teaching in Jesus de Maria Church. Mid February we had the visit of Francisco and Martita Berrios, missionaries with World Reach serving in Romania. Their ministry is counseling and they conducted a seminar for us. The need here in Argentina for counseling

is overwhelming. The Berrios's came to help us grow the ministry and to better train us. We are trusting this will be a great blessing for our ministry since the number of people we are counseling has only grown since last year.

Prayer Requests:

- My health and my wife's health.
- Possible trip to the US in September.
- Vacation Bible School in July.
- A new car.
- The planting of two new churches..
- Our financial support.

We thank you for your love and for partnering with us in our ministry.

May God bless you!

Your servants in Christ,

Andrés and Mónica Acosta
