## Fruitful teaching in Honduras

Dear Family and Friends,

I just returned from a very fruitful teaching trip to Honduras, where I taught a new course that I prepared on 1 & 2 Corinthians to our Mobile Bible Institute (MBI) students in El Campamento, Honduras in July.

The students were very engaged, hard-working and eager to learn. They are excited about their upcoming graduation in Nov. It was my second opportunity to teach them, having first taught them a New Testament Survey course last April. It is a joy and privilege to teach, equip and train national pastors, aspiring pastors and church leaders for Gospel Ministry—to spread the Good News, preach God’s Word and build up His Kingdom in Honduras and many other countries throughout the world!

Presently, I’m preparing new courses which I will be teaching this fall in various countries. I have a busy fall schedule with teaching trips every month from Sept. to Dec.

**Please pray for:**

1. Brad’s preparation and teaching of two courses in

Sept. in Argentina. One course is on discipleship and church leadership and the other is on church planting.

2. World Reach has asked me to develop this course on church planting which will be part of their MBI curriculum worldwide. Please pray for this process and for when I teach it in Peru in Oct.

3. **Thank you** for praying for our family member who was very ill, but is now doing much better!

4. For my sweet wife Colleen as she keeps the home fires burning.

***We’re presently at 58% support. If you would like to support this ministry monthly or with a one-time gift, send your check payable to World Reach (preferred to Taylors’ ministry) to:***
