Challenge for 2020

Our car will need to retire. After 320,000 kilometers, car aches are already very frequent. We ask you to pray for provision to replace it.

2020 Trips

We must travel this year to several countries for ministry reasons. Among these are: El Salvador, Ukraine, Albania, Macedonia, Switzerland, Spain and the United States. There are other possibilities not yet confirmed. We ask you to pray for the necessary provision.

2019 A lot to tell

When 2019 began we spent three weeks back in El Salvador. After that we traveled to the United States, Switzerland, Albania, Bulgaria and Spain before returning to Romania. Within Romania we have been constantly serving in Brasov and its surroundings. We have been serving at Hope Baptist Church and have also traveled to Cluj, some 400 kilometers from here, to collaborate with the Relevant Church that has opened its doors to train counselors, as we have been doing in our own church..

Biblical counseling has become an integral part of our ministry, God has given us the necessary grace so that many of the people who call us to set a counseling session, open their hearts to the consolation of God in the Bible.

Very grateful for the fruits

Ionica, his wife Cristina Martonfi and Diana Mateiu are the counseling team of the Relevant Cluj Church. Every time we go to this church, we typically spend three days, and are involved in at least 10 to 15 counseling sessions. They are learning a lot and blessing their church through this ministry. They represent enormous potential in a city of more than 500,000 inhabitants and many churches but they are the only ones that offer Biblical counseling in the city. According to Ionica, the pastor of the Church, this may “explode”, in the sense that demand will increase greatly in the next visits.

Pray for this project. The implications are enormous because the connections they have with several churches in Romania and in Europe. So we may see ourselves influencing and training more Biblical counselors very soon.

Grateful for the publication of the book BIBLICAL COUNSELING PROPOSAL IN THE LOCAL CHURCH CONTEXT

We have written this book as a tool for this ministry of training others to exercise their gifts by serving as Biblical counselors in their local churches. Pray for this..

Colossians 4:3 And pray for us, too, that God may open a door for our message, so that we may proclaim the mystery of Christ, for which I am in chains,

Counselors for OM (Operation Mobilization Romania)

For a couple of years now we have been serving as counselors “on call” for the leadership of OM Romania. This year they have given us the privilege of officially inviting us to be part of their “out source” counselors for their missionary staff and missionaries on this side of the world. They have also included us in the European network called MEMBER CARE EUROPE; with the idea of encouraging workers in the field as we do in our role as Pastor Director for Eastern Europe with our World Reach mission.
