

NEWS FROM THE BARRIENTOS

Lima, September 2020

Beloved,

“For I know the plans I have for you, declares the LORD, plans for welfare and not for evil, to give you a future and a hope”. Jeremiah 29:11

This is the Sovereignty of God. He knows, controls, and reigns above all things. He Only, is Worthy of all praise and adoration. We humbly bow before Him and recon Him as our Adonai, El-Elyon, our God.

We just want to share with you some highlights of the ministry in the last two months.

La Roca Church Ministry...

The church during this pandemic time has grown by the grace of God. This situation united us more in prayers. Our Whatsapp is filled with prayer request for health, jobs, salvation, and opportunities to present the gospel. It also moved the believers to spread the Gospel with boldness. We had the opportunity to minister to more than 900 families by delivering to them food bags, and

also to their families and friends with the goal to present the gospel. Thank you to all of you that prayed for this and gave toward this project. May God bless you abundantly and that one day in eternity you can celebrate how far your donation went. Thank you, thank you, thank you.

La Roca School Ministry....

We praise the Lord for a great staff of teachers that He brought together this year. He knew about all the problems that this pandemic brought with it for education. This group of teachers put their shoulders together to work for the cause of the Lord and because of their love to these children. Even to the point to work with a reduced payment, because many parents lost their jobs and could not pay the tuition normally. May God add more teachers with the same kind of heart for the Lord to our staff and that we can accomplish more in education in the months and years to come to expand God's Kingdom. To Him be the glory!!!

Family....

As family we are doing fine, working together around the property, ministering together. With Eva we have the privilege to prepare the virtual services, singing together, leading Bible Studies, and prayers. She has a good group of ladies studying the Scriptures every Sunday evening for about 3 hours. So, as you can read, not everything is bad, also good things happened during this pandemic time. The believers have a hunger for God's Word and they are learning and growing in love, knowledge and grace of our God and Lord Jesus Christ. Praise the Lord, we can travel again, and this time we Will go to the States to be with Priscila for a couple of months, especially to help her in this time after she had this car accident. We want to ask you to pray for us; we need to do the Covid test, and if everything is normal, we can travel.

Beloved, we want to thank you for being a vital and significant part in our lives and ministry. We pray often for you, and it is our prayer that very soon we can visit you again and that we Will continue to serve our God together for His glory and our Good. May God bless you abundantly.

Till all will hear of the Savior,

Juan, Eva and Priscila Barrientos
