

Reaching the world with the Gospel of Christ through the local church.

## The "new" normality

On July 26 we started our services again inside the temple with two worship services in the morning and with all the biosecurity protocols imposed by the authorities.

## "online" Counseling

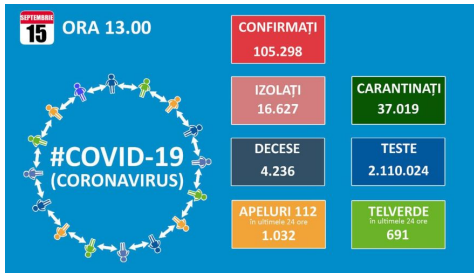

In many cases we continue to do zoom counseling sessions. Although we already receive people in the office, it seems that this App has come to stay!

THE REMODELING CONCLUDED (partially)  
The repairs and remodeling of the roof, the acoustic walls, the sound, video and projection system are completed; today we can broadcast live on YouTube every Sunday. We have been saving money in the church for 4 years to make this a reality. We still need to change the chairs, the carpet and the heating unit with air, which is essential in the winter. Today we use water radiators, but it is more efficient to use hot air. The church is very generous and we have started the fundraising campaign, "The Hope is Me", to raise the deficit that we still have to cover. On the left is the card that we designed for that purpose. Please pray, thanking God and asking Him to provide for what we lack.

*And my God will meet all your needs according to the riches of his glory in Christ Jesus.*

*Phil. 4:19*

## THE SITUATION OF THE PANDEMIC IN ROMANIA

As of September 15, we have 105,298 confirmed cases, 4,236 deaths and the curve has not flattened yet. The schools have opened with biosecurity protocols and timidly we have returned to "The new normality" after the summer. Our city of Brasov is third place in the number of

daily infections in the country with 5,200 cases and 42 new daily infections. For now we are healthy and prudently keeping the biosecurity measures, but at the same time working in the ministry with renewed energy, knowing that our hope and security are in the Lord.

### *We visit again the RELEVANT Church in the city of Cluj Romania*

Robert Katai and his wife Diana are leaders in this church with which we have collaborated for almost a year now, although we have known Diana for more than 6 years, through the counseling ministry, she is a Christian psychologist dedicated to helping others from this perspective. Whenever we go we stay for several days and counsel a group that she coordinates, and then we have training sessions together.

#### PRAY FOR:

Health and wisdom to work in this new reality.

By the ministry of the Esperanza Baptist Church in Brasov

For the ministry of counseling, preaching and teaching that we have here.
