

WISHES FROM THE HUYNH FAMILY

Dear Brothers and Sisters in Christ:

It is a pleasure to be able to recount the year God has given us, wishing that, at the end of this year, God will continue to give you of His grace and goodness to remain faithful in what He called you to do for His kingdom. We wish that you can also spend some time remembering the great faithfulness of our good God and Savior.

Even though this was undoubtedly a different and challenging year, and for many a sad and changing year, our God remains the same yesterday, today and forever, and He never makes mistakes. That's why we have seen His hand prosper our Churches in a commitment that might not have been seen outside the world's pandemic, and thus confirm his sublime words: **"I will build my Church. And despite the difficulties His truth was never imprisoned."**

We give glory to God for each of you, your support in prayer, to be part of our family, ministry, both in your prayers and your financial support. We have repeated this several times that we are debtors to God and to you for this tremendous work of love and generosity which we received from you during all these years, and that encourages, challenges and pushes us to continue to serve the Lord with greater enthusiasm and commitment.

Thank you for your consideration, this has led us to pray to our Lord for you and to keep you always present in our prayers, with gratitude and rejoicing.

Believing that He will continue to comfort your hearts and enrich you with his ineffable grace, to continue fulfilling His sublime purposes in you and through you continue to bless our lives, and expand His kingdom.

May the almighty God remember your offerings and your support (Psalm 21:3-4), and it is our longing that God will give us, this next year according to His will, greater challenges and comfort our

hearts in His hope to continue working in the eternal. This is our desire, it is our prayer, our faith and hope.

May God honor you with His presence continually, is the sincere desire of our family, beloved and valued brethren.

We want to end this year in God's will, with those goals we set ourselves and thus glorify our wise and sovereign Savior.

Reasons for prayer:

- Wisdom and commitment to remain being part of the work of training leaders for the future of our Church in different ministries
- Direction in our lives, as we have seen our Lord lead us to focus not only on our local Church but on other churches in other countries. In a more precise and continuous way, we believe that He is calling us to continue to grow in that ministry, to serve with the ministering of His word both in Bogota and Medellin Colombia, as well as Santiago de Chile. And God Himself has been stoking our hearts to look beyond our country, this has grown more committedly since three years ago, and we share this as a reason for prayer, for God's direction in this area, so that He will confirm to us as a family His will, and that He will also continue to give us the opportunity to teach the Word of God in other countries as before. Our desire is to keep on training these leaders and pastors and in His grace continue building His kingdom not only in our country.
- Thanks to each of you for praying for my father Victor Huyhua's health, the results of his biopsy were favorable, he has no neoplastic problem, thank you, thank you very much for interceding God for us.
- Also thank our God who gave us all this year his provision for our needs, but also for the school expenses of our two children, thank you for your generosity each of you.
- We please ask you to continue to support us in your prayers so that God in His will, will allow us to acquire a car for our

family, we really need it, even more during this time of pandemic, we have taken it more as a family project, than as a ministerial one. Because of the contagion of covid, it is difficult for us to continue to move on a public bus where the greatest hot spots of covid are located.

Thank you very much my beloved brethren, and as the author of *Hebrews chap. 13: 20-21* says:

Now may the God of peace who brought up our Lord Jesus from the dead, that great Shepherd of the sheep, through the blood of the everlasting covenant, make you complete in every good work to do His will, working in you what is well pleasing in His sight, through Jesus Christ, to whom be glory forever and ever. Amen.

“This is our sincere wishes for you ,AND HAVE A BEAUTIFUL CHRISTMAS WITH YOUR FAMILIES”
