Teaching Holy Spirit course online

Dear Family and Friends,

Even though the Covid pandemic continues to keep our live Bible Institute courses on hold for now, God is providing new ministry opportunities that we're excited about.

In Sept., I was invited to teach an online course on the Person and Work of the Holy Spirit, which I prepared and taught to a group of 30-40 pastors, church leaders and seminary students in Honduras from Oct. 28-30. The course was hosted by the Biblical Seminary of La Ceiba, Honduras and MTW Honduras, and it went very well.

On Sunday, Nov. 8, I also had the privilege of preaching at the 20th Anniversary celebration of the Briarwood Hispanic Church, which Colleen and I planted in Sept. 2000. I pastored the church for 17 years until Jan. 2018, when we began our ministry with World Reach. It was a joyful time to share with all the church members, and the church continues to grow and move forward in spite of the Covid challenges. They've been meeting in person with social distancing and masks for a few months now and it was great to see everyone.

Another exciting ministry opportunity was preaching three more sermons (out of 8 total) in Spanish on the Attributes of God for a group of churches in Argentina which one of our missionaries is helping.

On Labor Day weekend, Colleen and I were hiking with our family, and unfortunately Colleen fell and broke a bone in her left wrist. She had to have a cast put on her left arm for 6 weeks, but is still limited in the use of that arm and hand. It could take several more months. She's also trying to fully recover from her knee replacement in June.

### Please pray for us for:

1. My preaching a series of upcoming sermons in Argentina on the spiritual gifts.
2. In God's timing, that we'll be able to resume our in-person classes when the pandemic ends.
3. For the finalization of the SD card project with 4 new courses & their distribution to pastors in Peru & Honduras.
4. Healing of our grandson Manny's kidneys and a close family member's continued healing.
