

BERRIOS FAMILY

Thanks

For our health, even with all the activities in the work of the ministry, Our Lord has kept us healthy during the pandemic.

WISH LIST 2021

Being able to visit our families in the USA and El Salvador. We have not seen them for two years now. This year the pandemic ruined our plans but by 2021 we pray that it will be possible.

COUNSELORS

THANK GOD, for 3 Romanians who in 2020 in Romania are learning this very necessary task within the Church. As our Lord says "The harvest is great and the workers few". Yes friends, let's pray for more people desiring to become counselors, a precious ministry of giving God's comfort to those who need it.

2 Cor. 1:3 Blessed be the God and Father of our Lord Jesus Christ, the Father of mercies and God of all comfort, 4 who comforts us in all our affliction so that we will be able to comfort those who are in any affliction with the comfort with which we ourselves are comforted by God.

2020 The year that has changed the planet and how we live

Like all the inhabitants of the planet, the covid-19 pandemic has substantially changed the way we gather in churches, as well as any public space. We have gone from total confinement to meeting by Zoom, to having meetings outdoors and finally inside the sanctuary with the biosecurity measures that are applied practically all over the world. An important lesson that we can observe is NOW THAT THE NORMAL EVERYDAY LIFE HAS DISAPPEARED FROM OUR SIGHT, WE REALIZE HOW MUCH WE TRULY VALUE IT. Call it a hug, a kiss, sitting in a restaurant, meeting friends, traveling to another country, hugging grandparents or children who are far away, walking in to the mall and many other things. We miss these experiences now that we don't have them.

Today more than ever, the words of Paul to the Philippians take an enormous relevance in chapter 4:

11 Not that I speak from need, for I have learned to be content in whatever circumstances I am. 12 I know how to get along

with little, and I also know how to live in prosperity; in any and every circumstance I have learned the secret of being filled and going hungry, both of having abundance and suffering need. 13 I can do all things through Him who strengthens me.

ADAPT, LEARN, CHANGE and INNOVATE is the lesson of the year !!

2021 will be a year of greater expectation for the second coming of our Lord Jesus Christ than ever before. The signs of calamity on the planet remind us that our hope is near: *Mt. 24: 5 For many will come in My name, saying, 'I am the Christ,' and they will mislead many people. 6 And you will be hearing of wars and rumors of wars. See that you are not alarmed, for those things must take place, but that is not yet the end. 7 For nation will rise against nation, and kingdom against kingdom, and there will be famines and earthquakes in various places. 8 But all these things are merely the beginning of birth pains.* We wait for him as if he is coming today and we work as if his coming is still delayed. That was the lesson of the first Christians and we follow their example.
