Dear Brothers and Sisters in Christ,

We know that 2020 has not been at all what we Hondurans expected (perhaps the whole world also).
We have seen:

- Uncontrolled pandemic
- Devastated economy
- Hunger
- Increase in robberies
- Drug trafficking
- Hurricanes that have destroyed areas in Honduras where 80-90% of the economy comes from

It is estimated that it will take 20 years to recover and restore what has been lost in our country.

Even with all this, our life must go on, with trust placed in the promises of our God! Especially with the promise given to the shepherds by the angels who said in Luke 2: 10-11, Have no fear ... !!!

Why? Because a Savior has been born to you, who is CHRIST, our Lord.

This Christmas let us enjoy that CHRIST was born to fulfill his promises, and let us not be afraid of all the things we have gone through in 2020.

Our wish is that this Christmas, together with Jesus, hope for a better future will be born and that we will not be afraid of what lies ahead because our Savior and Lord, Jesus Christ has been born.

In Christ,

Noel and Reina Gomez
