

“News from the Huyhua family”

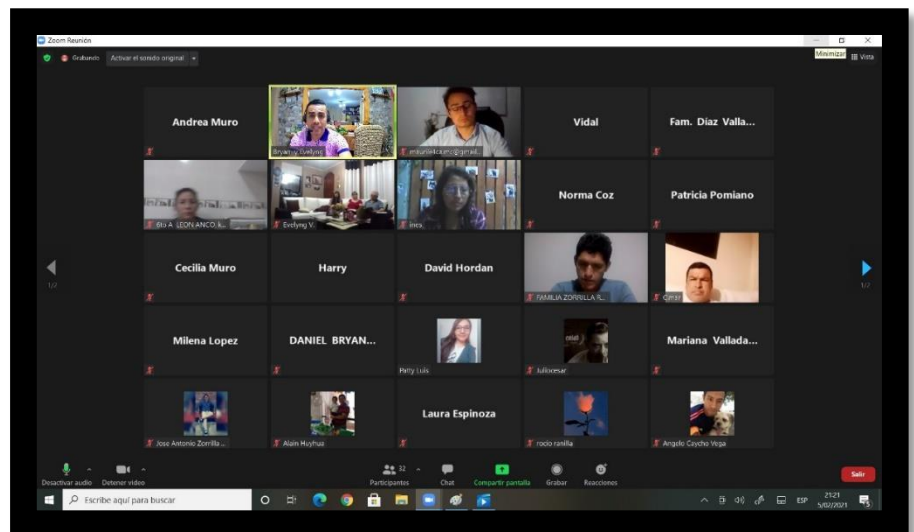

Dear brothers and sisters, we greet you once again in the Grace of our good God and Savior.

We agree that this time is still difficult for each of you and us, and above all we wanted to share with you that we are praying for the United States since we know that they are going

through times of natural disasters, and it is our wish that the Almighty continue to guard and protect these difficult moments, and that also as a nation many turn to the Lord of heaven.

Now we here in Peru are also at a time where health is still at risk and the death rate, although it has reduced, is still critical. Our health system in hospitals collapsed and with a significant shortage of oxygen; however, the Good Shepherd, The Rock of Israel (**Genesis 49:24**), continues to keep us alive. And we understand that this continues to motivate us to look forward to his coming and to even virtually share the glorious Gospel of the Hope of eternal life.

1. **We continue to meet virtually every Friday with families,** and what we recognize is that they continue to remain faithful in their virtual attendance, with 30 to 33 links,

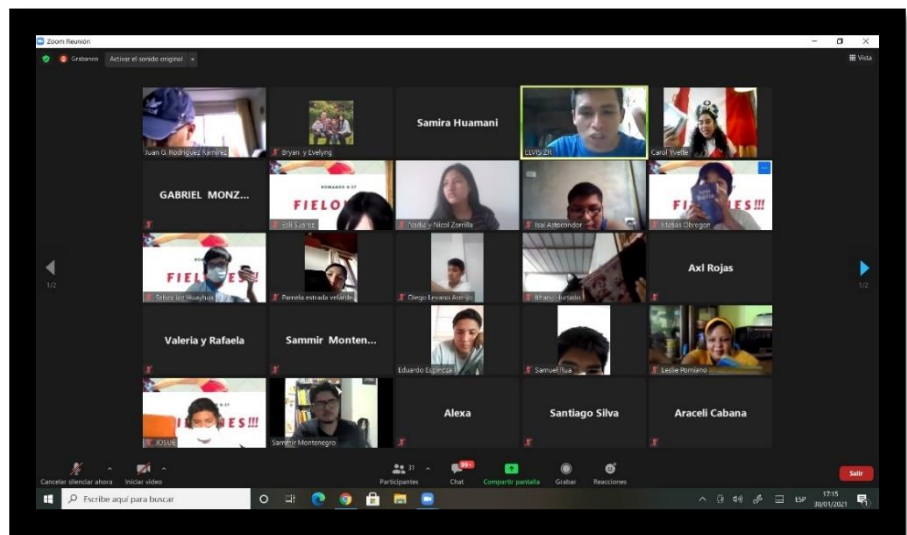

considering that each link involves families. With whom we have just carried out the study of: "AND GOD DIRECTED IT TO GOOD", based on the life of Joseph in the book of Genesis. It was a blessing to be able to teach this topic, and a challenge to continue to trust in the sovereignty of God.

Now we have started the series: "THE FRUIT OF THE HOLY SPIRIT", and it is our prayer to our God that it also be one of edification, exhortation and comfort. (1 Corinthians 14: 3)

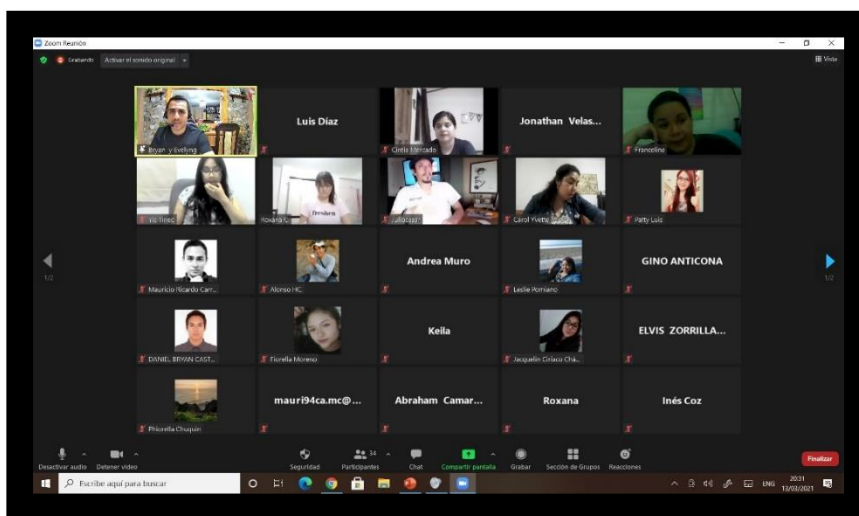

The idea and objective is to consolidate and strengthen both old and new families in the faith.

2. As for the Youth:

- Adolescents: Every Saturday is an opportunity to sow the Word of God in them and especially the conviction that they can find the Bible as their main tool to sustain themselves in difficult and dangerous times where the identity of the Christian is threatened and confused. Because our main goal

and prayer to our God is that he may grow and raise up our next generation strong in the principles of God's Word, to be ready to take future leadership in the fear of God. We thank God for the attendance of no less than 30 guys in this group.

- **Young People**: Young people also continue to attend virtually, and our main objective is to help them to be young people with courage to show their faith in the environment where they develop. Since most of this age are in university, their attendance is approximately 25 guys every Saturday.

- **Older Youth**: This group is today a reality, the result of God's work and work in them for more than 10 years. They are people, most of whom are already involved in the work of the Lord. They work and minister in addition to being faithful with their attendance of approximately 33 boys. With them we carry out studies where they can be encouraged to continue and remain faithful in their commitment to God and his Truth.

3. Biblical Studies:

On Tuesdays we develop studies with the Church in general where we have already finished the book of Joshua. It was a challenge and an opportunity to prepare me to learn to

teach and minister with the Word of God, And what was remarkable was the assistance we had and the constancy of the brothers, where every Tuesday we had from 76 to 80 of them joining online. We give glory to God for it. Next Tuesday we will be taking the study in the book of Ecclesiastes.

4. Thursday of Preaching:

We have also been carrying out with our Church in general the study of the book of Nehemiah and now we are continuing with the attributes of God. These studies I share with one of the leaders of our Church, that is to say one Thursday and

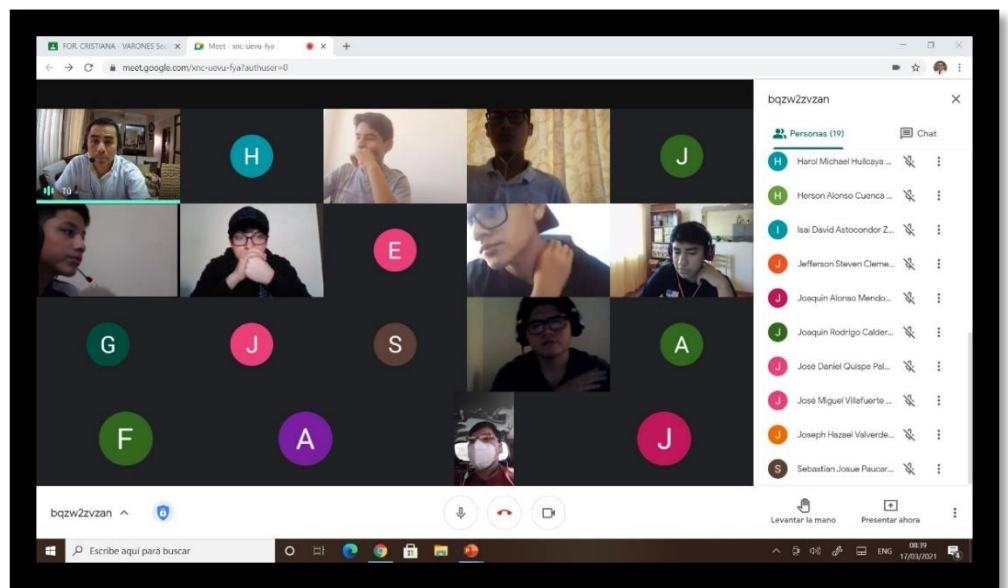

the next myself, with the regular attendance of approximately 76 links every Thursday.

We thank God because, as you see, the attendance at each meeting has been and continues to be a blessing. And it encourages us, that despite times of pandemic and social isolation, we do not stop ministering with the Truth of God. Because it is God himself who provides the opportunity to continue serving you.

5. La Roca Christian School: We also give thanks to God for the opportunity that God continues to give us to minister by teaching the Bible through the course of: Christian Formation, with students from 4th and 5th grade of secondary level.

Every Monday and Wednesday very early I am teaching them the theme of the book of 1 Samuel. Here, there are 21 boys with whom I have the opportunity to sow the seed of God in their hearts.

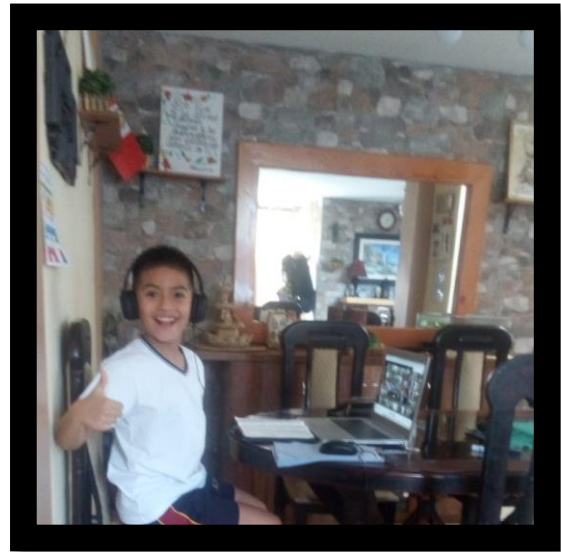

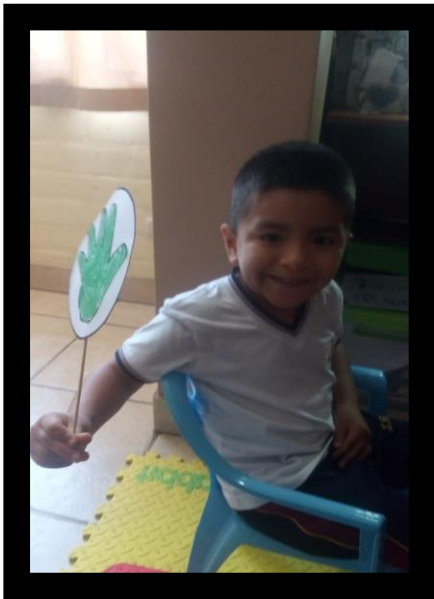

From home also Evelyng continues to meet with her disciples during the week. She is undoubtedly a strength in my life as a wife and mother, in addition to her patience to continue ministering through her meetings with young ladies as well as some older sisters from our church.

Also, our two sons, David and Nathan, have already started school. So imagine since it is all virtual, David on one side of the house on the laptop with his classes, on the other hand, Nathan with his classes and then I on the other side of the house giving classes. But we thank God for having what it takes to continue serving him.

That is our prayer, that despite the pandemic we will not stop serving and honoring God.

Help us to Pray to our God, beloved brothers, so that we have the Wisdom of Him, and that we do not lose sight of the objective of glorifying HIM, and that we can be faithful and kept from evil and be preserved for HIM.

We also share that our God has provided us the ability to buy a car that for almost 4 years we have been praying for. A brother was even used by God, as he asked us about this need and offered to lend us what was missing, and so we could already buy the car we needed. Without a doubt we glorify God for the people he uses. And now help us to pray so that this small loan will be returned, brothers please. And if in some of you God puts in your heart to help us, it will be very welcomed and helpful.

Thank you again and again beloved ones, for being part of our lives and family and ministry. We continue to pray for each one of you so that God continues to make you grow in Grace and to continue waiting in that Grace that one day it will manifest itself. **(1 Peter 1:13)**

We love you in Christ and we continue, not only grateful to God for you; but, we feel indebted to God for you.

1 Thessalonians 5:24

***Faithful is he that calleth you,
who also will do it.***
