“Grace to you and Peace from God our Father and the Lord Jesus Christ!!!”

The last letter I wrote to you was about many challenges in my life and also the world that we live in. There is so much uncertainty, hopelessness, fear, violence on every hand, as well as the unspoken things people are trying to deal with on their own. But GOD who is faithful gives me opportunities to speak the Word of God in the places I go (barbershop, grocery store, workplace, street corners, etc.), since I am not able to do the prison work and go inside of the prison because of the COVID-19 restrictions. I so miss the expressions on the inmates faces when we entered into the prison to preach. They received us with joy and I believe they miss the ministry too. Every man or woman outside of Christ is in prison, the prison of sin. People need to be freed from the real prison.

I preached in the barber shop the other day (the owner allows me to). Many had questions about the state of the world and the way things seem to be going. They are looking for answers and want some hope. So I gave them the WORD of GOD. He is the answer for all concerns and problems. They received the WORD with joy and they told me they were so happy that I preached to them that day.

Update on Mission Trips: I have not been on a trip since India in December of 2019. My next scheduled trip will be in 2022 to Kenya for a graduation class and to train them in evangelism.

Finally, thank you to all my faithful partners for your continued support.

In His love,

Larry and LaSharon
