

WORLD REACH®

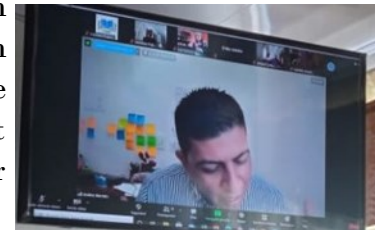

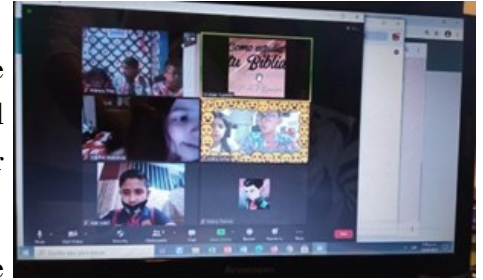

March and April 2021

THE LOCAL CHURCH

In these past two months we have had the privilege to continue serving our Lord in the ministries in Danubio Azul. We have continued ministry virtually and have also visited each church member in their homes.

Despite the current situation in our country, due to the reality of the Corona virus (COVID-19), God is always faithful in His work.

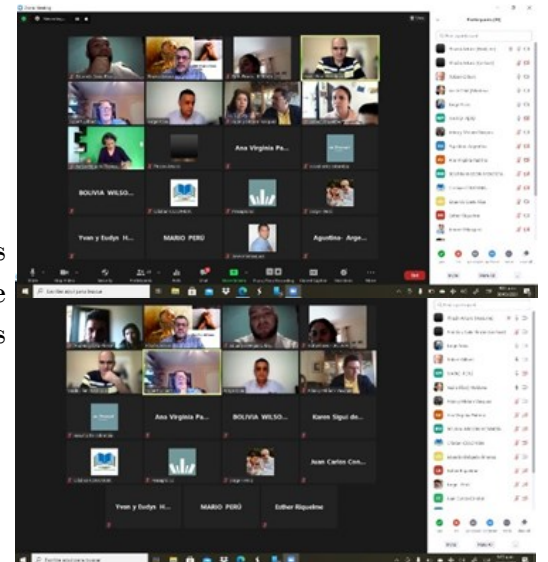

We have implemented a more practical method for our virtual services in which we are involving the members so that they are more participatory in their willingness to listen to the Word of God. We send them outlines of the teaching, where they must complete the main points of the preaching and at the end of each preaching a questionnaire is sent to them to encourage their attention to what was taught.

MINISTRY AND TRAINING

In the months of March and April I also participated in the virtual training that the World Reach carried out every Tuesday to teach us how to prepare the virtual classes that we are conducting in our ministries. They also gave us the challenge of being able to organize a class to upload on the World Reach website.

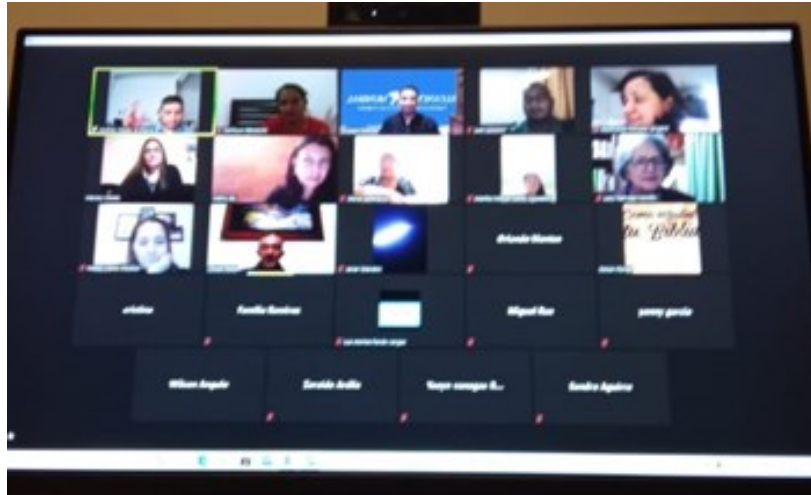

In the months of March and April I attended biblical trainings with Precept International. These trainings were to prepare leaders to be trainers to teach others how to study the scriptures with the inductive study method.

Philippians 1:6

being confident of this, that he who began a good work in you will carry it on to completion until the day of Christ Jesus.

Likewise, at the end of March and the beginning of April, I had the privilege of teaching the inductive method class in the first preliminary course for the World Reach Bible Institute in Colombia.

We had the privilege of having students from various regions of the country. During the week we had the class, they were encouraged and challenged to continue as students so that we can form mobile Bible institutes in their cities; after the current situation we live in is fixed.

PERSONAL GOALS

In the month of April I began to study the English language in a high school in Bogotá, I am doing it during the week a few days in the mornings and others at night.

PRAYERS

We always thank God for every brother and sister who has in their heart to pray for our lives and our ministry.

Family:

- Always have the desire to serve the Lord and be sensitive to his call each day.
- For the healthy growth of our family (spiritual, emotional and physical).
- For the financial support to be able to serve him full-time, which he has called us to do.

Ministry:

- The documentation that the congregation is required to have before the government.
- Assistance for the families of our congregation (spiritual and physical).
- For our own place for the Danubio Azul congregation.
- For provision for the payment of the English course that I started this month.
