Beloved,

The Scriptures encourage us to fix our eyes on Jesus, to seek the things above, and to set our minds on the things above, not on the things on earth. We are facing difficult times, especially with the last election in Peru, with several manifestations from both parties. And we still don't know who will be the next president. This is causing great divisions in the country and among believers. How important it is for us to keep our eyes and minds on Jesus, not on the things of the world.

We pray that you are doing fine, and that you are growing in the knowledge and grace of our God and Savior Jesus Christ.

In the midst of all that is going around in the world, God has kept us safe and healthy, and we praise Him for this. The ministry continues weekly with a lot of Biblical counseling; prayers for the sick and weak; teaching at the church and school through Zoom, Meet, Facebook; preaching in several activities of the church and school; and developing one area that I love, which is music. Eva is also

dedicated to God's ministry of teaching Bible to 10th and 11th graders, to the ladies of La Roca Christian Church, and to another group of ladies of a baptist church that we partner with, and sharing the gospel to families through donation of school supplies.

The church is still meeting virtually; however, today we received news that we can start

meetings with 40% in person capacity. We are praying to start meeting again, God willing, the first Sunday of July. So we ask you to pray for this, and for all the preparations that we need to do for this great occasion to receive our brethren. A ministry that we are doing as church is to help church members that are in need of oxygen to face this virus. God, through one of our members, provided oxygen tanks, and this is already being used as an open door to share the gospel to those that are in need of this resource. Praise the Lord for opening new opportunities to share the gospel.

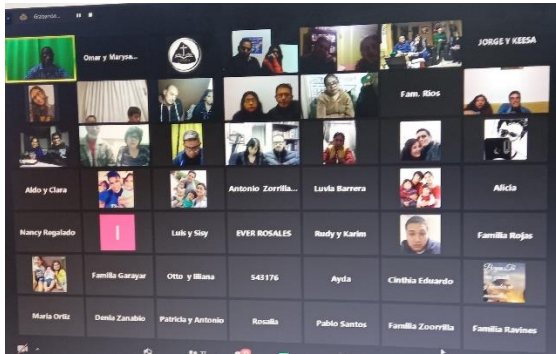

WORLD  REACH®

News from the Barriento

We want to ask you to pray also for La Roca Christian School to continue to be a blessing in the community. Last night in a meeting, a couple shared their testimony. It was great to hear how God used the school to bring them first to know Christ as their Savior, to then start attending church, and how through biblical counseling their

marriage has been restored. Today they are living their lives by the abundant grace of God. Christian education is essential in this area, so please, continue to pray for a continued commitment of all the staff to preach the gospel with the Word of God and with their lives. And also pray for God's provision for the teachers. Their payment has been greatly affected by this situation of the corona virus.

Thank you so much for being such a great blessing to our lives and to this ministry. We pray that very soon the World's condition will get "normal", and that very soon we can see each other face to face again. Pray for us, Juan, Eva and Priscila, to stay faithful to the Lord in prayer and waiting our Lord's return.

Till all will hear of the Savior,
