**“Grace to you and Peace from God our Father and the Lord Jesus Christ!!!”**

What a joy to have the privilege to write this letter on the update of the ministry God has entrusted to me. I am back teaching Sunday School at our church’s temporary location in Fultondale. One of the prayer requests in my last letter was for our church to find a new location since we had sold our previous church; well “ PRAISE THE LORD” for answered prayer. We purchased a church in the month of May in the Bessemer area. There are a few renovations to be done before we move in. In light of that, there will be new opportunities for Evangelism and Outreach in this new community. There are communities all around the church and I look forward to doing ministry as a new congregation in these communities.

As I go about my everyday duties as a citizen of the Kingdom of Heaven, I mourn for the spiritually dead. Jesus said in the Sermon on the Mount: “Blessed are those that mourn for they shall be comforted”. When I interact with people and hear their stories of various problems, disappointments, failures and fears, I am reminded of a woman who called me recently almost at the point of suicide, crying out for help. Life to her was not worth living. I had to try to comfort and encourage her with the comfort I receive everyday from God (2 Corinthians 1). The Word of God healed her from taking her life. When God gives you (and all of us) the ministry of reconciliation, it is right where we live in everyday life. My gift from God is Evangelism and my heart is that I take advantage of every opportunity to reach people in all walks of life. Thanks for your continued support.

In His love,
