UPDATES

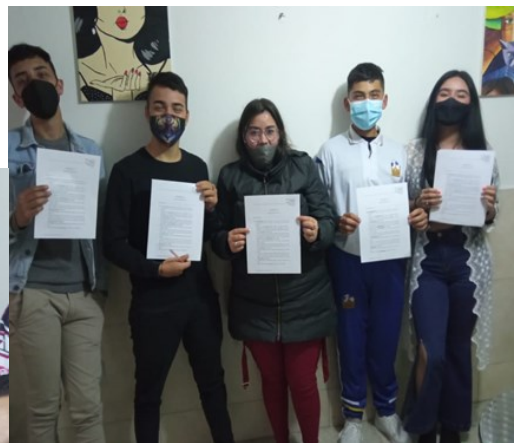

We thank the Lord who has allowed us to continue serving Him in His work; During these months we have been able to carry out various activities and at the same time start with new ministries.

We held children's camp. It was a blessing to carry out this activity, despite the restrictions due to the health situation; God allowed us to share 2 days with the kids in our home. We had the opportunity to teach them the word of God in important areas for their lives.

We started the youth group meetings. This has been one of the answered prayers of our God, since it was a project that we have wanted, but had not had the opportunity to start; but after this pandemic, God opened this door to work in the lives of these young people who are from our congregation. With them we have begun to study the book of Daniel; with the purpose that they know that God already has a plan for the future of each one of us.

Philippians 1:6

being confident of this, that he who began a good work in you will carry it on to completion until the day of Christ Jesus.

We began with in-person meetings on Sundays. We thank God for the opportunity we have had to serve Him virtually during this special time that has taken place during 2020 and mid-2021. We have learned many ways of reaching people with the message of the word of God, but gathering together is necessary. By holding in-person meetings the brothers have been encouraged more by the communion that can be had by gathering together. We thank God for allowing us to gather.
