News about ministry in Colombia!

In my last report, I talked about how Covid was affecting the country. I am thankful that the Covid crisis has diminished in the last couple of months.

Thanks for praying for our wedding, it was such a blessed time with our family, friends, and the presence of God. We feel grateful to see God working in all the details and provision for our wedding and honeymoon. As my wife would say: "After three months, we still are on our honeymoon".

Revitalization ministry

On September 15th, part of our Colombian team traveled to San Pedro (North of Colombia) to work in the ministry there. Bobby Wilson and Anderson Naranjo taught 45 leaders, Maria Vélez taught 50 women and I taught 22 men. It was a wonderful time going through the book of Titus. Then, we had the privilege to share with a group of 30 young men and women about singleness and marriage. On the weekend we held a conference for couples where we met people that have been married for 65 years! At the conclusion of our time in San Pedro, one young man approached me and told me how blessed he had been studying the book of Titus. He told me that he has been attending church for 5 months and felt that God wanted him to step forward and surrender his life to Christ, and I encouraged him to do it. He told me he learned to pray the Scripture. Please pray for this man, his name is Juan David and his wife's name is Gina (see picture below).

Bobby, Anderson, and I went to Barranquilla to visit the 7 churches which we have been working with for 5 years now. It was encouraging to see how some of them had growth even during the pandemic, and some other have started new ministries since we last visited them. We had workshops, training, and prayer times; it was an encouraging time for us all.

Working with young men

Please keep us on your prayers. Please pray for:

- Our marriage, as Laura and I establish our relationship as a couple.
- Our next trip to Medellin in November. We will be holding a men's retreat and travel to the eastern side of Colombia to meet a group of churches interested in joining World Reach's Bible Institute.
- A youth camp we are planning to carry out in December to reach 20-25 teenagers with the Gospel.

Thank you for your financial support and moreover your prayers. If there is a way, I can pray for you please let me know; I would be glad to do that. Send me an email to sflorez@world-reach.org
