Grace and peace from God our Father and the Lord Jesus Christ.

First, I want to thank each of you for your continued support in the work of God through World Reach in preaching the Gospel wherever He sends me and doors of opportunities. Recently a door was opened to go into the Birmingham Fire House twice a week where men are housed due to drugs and alcohol which has produced being homeless. The men can volunteer to come to the meetings but it is not required. We teach salvation, sanctification and glorification.

As I reported to you before I was teaching Sunday School and just finished the book of Genesis which took over a year. Since the pandemic no missions trips but my next one is scheduled in 2022 to Kenya.

I had been praying to God and had communicated with my wife how I want to help people who had no affiliation with a church. Well, I did not know that it would happen this way, but I have been asked to officiate two (2) funerals which the person had no church home. So I was able to preach the gospel to the family and friends who attended and also give my testimony to many. When I was approached, I invited the family to my home to make the arrangements and I was able to speak with them about their salvation. I am looking for more opportunities to preach to the living if God will use the death of someone to preach to the living dead (those who are dead in trespasses and sins Ephesians 2:1) Well, the year has really gone by fast and another year will soon be upon us Lord willing. I hope and pray a great Thanksgiving and a Merry Christmas to you all!!

Continue to strive together with me in your prayers.

Much Love,

Larry and LaShoron
