Flyer for my workshop

Dear Friends and Family,

In early Sept., I led the seventh and final Zoom session of my 7 week course on "Preparing Leaders for the Local Church" for 50-60 pastors and church leaders in northern Colombia from July 13-Sept. 7. The course went great and in the last session, all the small groups presented their final projects, which were detailed plans for training leaders for their local churches.

Also, I prepared and taught a 2 hr. Zoom workshop on "How to officiate Baptism, Lord's Supper, weddings and funerals" on Sat., Sept. 18. It was attended by 11 pastors and leaders & was designed to help prepare 3 candidates for ordination as pastors. I'm helping Pastor Sixto Hernandez in his efforts to lead their ordination process and start a new presbytery

Our family at Colleen's birthday party

in Medellín, Colombia with at least 5 churches.

On Oct. 2, I translated live a second workshop on "Worship: the life of the Christian," which was taught by Rev. Rick Searle for these same ordination candidates and pastors in Medellín. It was a great time together.

During Sept. & Oct., I've been working hard to prepare a new 7 day course on "Missions, Evangelism and Church Planting" which I will teach at our World Reach Bible Institute (B.I.) in Meru, Kenya from Dec. 3-10. This will be my first international teaching trip since Jan. 2020, when Covid began. I'm also on 2 teams writing 2 new courses for our Latin American B.I.s — Hermeneutics and the Spiritual Life of the Believer.

Please pray for us for:

1. Teaching my Missions, Evangelism & Church Planting course in Kenya, Dec. 3-10. No Covid which would mean a long quarantine in Kenya.
2. New churches & a new presbytery to start in Medellín.
3. For God to heal our grandson Manny's kidneys and lower his high intracranial pressure.
