

“Best wishes From the Huyhua family”

Beloved Brothers, it is and always will be a pleasure to consider writing to you and communicating with you. We praise and give thanks to our God for each one of you, since for years you have sustained us with your prayers and offerings. That is why we wish to share this small, but significant letter expressing our best wishes and gratitude.

This year 2021 which is coming to an end, has been and is still part of a very different but pleasant experience. The good hand of God has been outstanding in its care and goodness. Our good God has used you in our lives, and we feel indebted. In addition this has been the way in which the Lord in his sovereignty has united us. Through your prayers, He answered us, and through your offerings He sustained us. Thank you very much, we truly thank you, for you have shown us not only generosity but the Love of God. Even our two sons David and Nathan recognize this tremendous gesture and have seen the work of Christ in a real way through you. This reminds us of what God the Father did more than 2000 years ago, when in his love and generosity for the whole world he sent us Christ, our Savior, the person who unites us in one faith and salvation, and in one hope, his soon return. May these last days of this 2021 remind us of his plan to come to this world, to become a man, taking on the human form like you and us, with the same weaknesses and limitations, with the same feelings and needs, but without sin. In order to fulfill the desire of the father to please him and to complete the redemptive work that gives us security beyond even this earthly life. How great is our God, how glorious is his work, what goodness, what mercy and what indescribable love. These words are not enough to give Him thanks and glory, but they spring from the heart of our family so that together with us, we may worship the Sovereign of Heaven.

It is our desire that the Almighty continue to give you his grace and affirm his purpose in your lives and families and through you continue to extend his salvation and generosity. That the face of Christ continues to

be seen through your actions, and as David says in Psalm 20:5, we will rejoice and raise banner in his name for what you do for our family.

We join the angels in this emotive sound of Luke 2:14, GLORY TO GOD ON HIGH AND ON EARTH PEACE, GOODWILL TO MEN....

We love you and pray to God to accomplish all His work and give you satisfaction in your lives, give you the joy of seeing your relatives walk in his paths, and make you live faithfully for Him until His long-awaited return, or until the years He gives us are fulfilled.

40TH
ANNIVERSARY
WORLD REACH
SINCE 1981

Finally, brothers
and sisters, rejoice!
Strive for full
restoration, encourage
one another, be of
one mind, live in peace.
And the God of love
and peace will be
with you.
2 Corinthians 13:11
