Helping Honduran pastors grow and minister by providing them with training

Christmas 2021

Thank you for ministering alongside us during this year. Together we have been able to bless many dear people in Honduras, Colombia and Peru.

During the first quarter of this year our World Reach Honduras team was able to help several families recover from the devastating effects of hurricanes Eta and Iota. We were able to help replace some lost clothing and household goods and in some cases we were able to help repair or even rebuild damaged homes.

You have helped strengthen the church in Latin America when you prayed for the World Reach team as we created and distributed materials for training pastors and church leaders. We are grateful to see how God is using the curriculum we have created in Honduras, Colombia and Peru.

Currently we are editing the print materials for 7 new classes. And over the next couple months I will be editing the nearly 50 videos that will be part of that educational experience.

We also thank you for your prayers on behalf of our family. Having everyone at home all day everyday as they receive classes online is a blessing, but, as you can imagine, it is often complicated and stressful. We are grateful that during this year Marissa and Jayden's adoption was finalized. Lord willing, we will be able to complete their US citizenship during 2022.

We plan to travel to the States during December, January and part of February. Our plans are to visit our partner churches and spend some time with family and friends in Georgia,

Michigan and Alabama. Hopefully we will have the opportunity to see you. During our time in Georgia we will be blessed by Dr. Gloria Garner of the Speech and Hearing Center of the University Health Care System in Augusta, Georgia, the University Hospital Foundation and the North Augusta SERTOMA club who will be fitting Marissa with new hearing aids.

Our efforts in Honduras are made possible by your continued partnership with us in ministry. Your prayers, words of encouragement and financial investment are an indispensable part of what God is doing in and through us. Thank you for serving alongside us in this way.

May God bless you during this Christmas season and may your celebrations be full of the peace and love that is made available to us in Christ.
