FAMILY ESTRADA-GARCÍA MISSIONARIES IN HONDURAS

"For to us a child is born, to us a son is given, and the government will be on his shoulders. And he will be called Wonderful Counselor, Mighty God, Everlasting Father, Prince of Peace. Of the greatness of his government and peace there will be no end. He will reign on David's throne and over his kingdom, establishing and upholding it with justice and righteousness from that time on and forever. The zeal of the Lord Almighty will accomplish this". Isaiah 9:6-7.

Family News

We recognize with gratitude in our hearts that God has been good during this year in our family. We have seen how God has used each one of you through your prayers and support, to achieve His purposes in us and in the ministry He has entrusted to us.

The year 2021 has been a year of much learning. God has worked in our hearts and is leading us to live and teach others focused on seeing His Glory every day. We are learning to live in faith and daily repentance with the help of the Holy Spirit.

We would like to share with you that thank God our little girls are doing well. They had respiratory health problems due to the cold weather in December, but by God's grace and mercy they are much better.

We are making progress in their studies at home, the two older ones are already in the middle of their school year, it is incredible the progress and in the midst of the difficulties they may encounter in the study, and the good spirits that God puts in them motivates us to move forward.

In November God surprised us with the miracle of providing Hector with a plane ticket to travel to Ecuador to visit his mother, who is going through a cancer process. The thought of this trip was impossible for us a few months ago, but God once again shows us His love and mercy. The trip is scheduled for December 13, until January 10. We praise God for that!

Honduras News

“ We thank God that on November 28th there were presidential elections in Honduras. Thank God the whole electoral process took place in complete calm. In the Honduran population in general there is hope that things can improve in the country and that decent jobs can be generated so that people stop emigrating.

We ask for your prayers, so that God may use this change in the country for good and above all that people may come closer to God and recognize the greatness and power of God in the midst of every circumstance.

Ministry Activities

In this last quarter, by the grace of God, we have continued with the teaching projects through the mission. In the month of October Hector was with the Outreach team in Guascotero, a community Lenca in the interior of the department of La Paz, to continue teaching the first course through the SD cards. It was a very blessed time by God.

In addition, this November we completed the course "Inductive Study of the Psalms" with a group of leaders from various communities in Honduras, including La Mosquitia. In addition, we continue working on the development of the course assigned to us for the Mobile Institute of World Reach.

DECEMBER, 2021

God has been very faithful with the discipleship groups with whom He has allowed us to share and grow together. We praise God for the group "Entre mujeres" which has allowed us to share with sisters in Chile, USA, Dominican Republic, and Honduras. And for the opportunity to share his Word in the churches that invite us to teach.

The online platform has continued to grow by the grace of God, allowing more brothers to enroll in the free courses of spiritual formation and in the courses of the Bible School for leaders. Currently, we have brothers and sisters from: Honduras, Belgium, Panama, Guatemala, Mexico, USA, Colombia, Venezuela, Cuba and Argentina. We ask for your prayers, so that God may fulfill his purposes through this program and allow us to reach people who long to be trained for the service that God has entrusted to them and do not have the resources to pay for a course or go to a formal seminary.

Prayer Requests

- For God to guide Hector's time in Ecuador.
- For our daughters, their development as people, their physical and spiritual growth. That they may take advantage of their study time.
- For the health of our family. Specifically for the exams that Angelina must undergo in January, to confirm the diagnosis of glaucoma in her right eye.
- For God to guide each online course and expand the opportunities to reach more places.
- May God open the doors for the translation of some of the World Reach online materials.

Let us remember that the birth of Jesus is to recognize the greatness and power of God over our lives and humanity. Let us look at this Christmas and New Year, each thing lived with pleasure because they were allowed by God to show what is inside our hearts and guide us towards the changes he wants to make in us.

Thank you for being part of our work team, a team that without a doubt we have not selected ourselves, but God himself has chosen each one of us and has united us to use us as his instruments for his Kingdom.

WE WISH YOU A MERRY CHRISTMAS AND A HAPPY NEW YEAR.
