## Francisco & Martita Berrios Missionaries in Romania

---

*Philippians 4:7*

The best Christmas lights are people filled with the God's peace in their hearts!

**Thanks for the year 2021... despite the pandemic!**

We give testimony of the protection and consolation of the Lord during 2021. It is true that the pandemic brought us difficult moments. In fact, in three months it will be two years since the entire planet began to change and has made us be creative in ministry. Today online counseling sessions through zoom are normal, masks and social distancing in the church is normal. We renewed the video and audio equipment of the church to broadcast services live through the internet and we created a YouTube channel, that is "normal" too. We have to be thankful as we recovered from the Covid disease and God took care of us through beautiful people in Romania. We also had been vaccinated so we are enjoying good health

Pray with Thanksgiving with us and for us. The ministry in Brasov, Romania with Hope Baptist Church has been very blessed by the Lord this year. Biblical counseling is increasingly the ministry that occupies us the most and is the one that gives us both great satisfaction. It appears that the pandemic has encouraged people to seek help. And we thank God for the privilege to serve Him in communicating to those we counsel that God is the inexhaustible source of consolation and healing.

*How is the church family?*

*Psalms 33:1*

Being one of the pastors at Hope Baptist Church in Brasov is a privilege. Thank you for praying for this ministry. God has given us here this year many friends and brothers with whom to share pleasant moments by serving them and being loved by them.

**PRAY FOR:**

1. May God open the doors for us and provide the ability to travel to the US and visit the churches that support us. It's been almost three years since we have been able to visit.
2. For the wisdom and God's grace to be faithful to the call and so that we can discern the words of consolation from God in His Word for those who are coming to counseling and for those who will come in the future.
3. For the "on-line" church ministry. (Many contacts are reaching out to the church), for the church missions and for the leaders.
4. For the ministry challenges that 2022 will bring.

A "virtual" hug for everyone and thank you for being part of our ministry
